Attachment #2

As per Part 1204.14, the report contains:

A list of all construction permits, code compliance certificates and temporary approvals for occupancy, which were issued or received during the preceding year along with an indication of which permits, certificates and temporary approvals were still valid on the preceding December 31.

There were 139 building permits issued in 2013; of which, 7 certificates of compliance were issued by our agency. (Through end of 2013)

There were 111 building permits issued in 2014; of which, 43 certificates of compliance were issued by our agency. (Through end of 2014)

A list of all fire safety inspections conducted within buildings or structures in the custody of the particular state agency.

As included within each DDSO report, which lists the properties each district is responsible for, there were 887 inspections on these properties.

A list of all code violations within the Agency's buildings or structures which were not corrected within 60 days of their discovery.

None to our knowledge

A statement of the current status of the violations noted in the paragraph above and as per Part 448.14(a)(4) of this subdivision and a plan to correct any such violations still uncorrected.

OPWDD works closely with NYS Office of Fire Prevention and Control (OFPC) to correct all violations in a timely manner. OFPC re-inspects all properties to ensure violations were corrected.

A list of all code related complaints and their disposition.

All code related complaints/deficiencies were addressed within 60 days of their discovery. **As indicated within this report, there was only one area reporting a bonafide complaint and these were/are being reviewed and are intended to be resolved by modifications to the sites and by procedural steps.**
