

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**CAPITAL REGION**

**Applicant:** Town of Prattsville

**County (ies):** Greene

**CFA #**28960

**Project Name:** Community Recovery Components: Design and Construction

**Project Description:** The Town of Prattsville will advance a multi-component project identified in the Town's Community Reconstruction plan to restore and revitalize the Route 23 (Main Street) streetscape which was devastated by the flooding from Hurricane Irene, including Phase II of the streetscape enhancement project; feasibility analysis and preliminary design for a new community center; and design and construction of a new waterfront trail.

**Amount Awarded:** \$807,000

**Applicant:** City of Troy

**County (ies):** Rensselaer

**CFA #**28859

**Project Name:** City of Troy Local Waterfront Revitalization Program

**Project Description:** The City of Troy will prepare a Local Waterfront Revitalization Program to provide an actionable framework for catalyzing robust redevelopment and waterfront access and encourage additional investment in the commercial properties that adjoin the waterfront.

**Amount Awarded:** \$80,000

**Applicant:** Town of Halfmoon

**County (ies):** Saratoga

**CFA #**29915

**Project Name:** Erie Canal Towpath Community Connector Construction

**Project Description:** The Town of Halfmoon will construct a multi-use trail along the historic Erie Canal Towpath on the north shore of the Mohawk River. The trail will encompass approximately 0.75 miles from Clamsteam Road, under the I-87 Twin Bridges and west to the town line.

**Amount Awarded:** \$200,000

**Applicant:** Town of Bolton

**County (ies):** Warren

**CFA #**30877

**Project Name:** Rogers Memorial Park Improvements

**Project Description:** The Town of Bolton will design and construct improvements to Rogers Memorial Park including a visitor/heritage center, an entry plaza, pedestrian connector, lake overlook, lower walkway, hillside erosion repair, water distribution system, rehabilitation of the north public dock, and stormwater management planning.

**Amount Awarded:** \$350,000

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**Applicant:** Village of Lake George

**County (ies):** Warren

**CFA #**27451

**Project Name:** Environmental Park Signage and Water Feature

**Project Description:** The Village of Lake George will design and construct an interactive water feature and gateway signage at the Charles R. Wood Lake George Environmental Park.

**Amount Awarded:** \$200,000

**Applicant:** Town of Lake George

**County (ies):** Warren

**CFA #**28130

**Project Name:** Route 9 Streetscape: Design and Construction

**Project Description:** The Town of Lake George will design and construct streetscape improvements along the Route 9 gateway corridor from Birch Avenue south to the Route 9N junction, incorporating multi-modal enhancements and stormwater treatment measures.

**Amount Awarded:** \$100,000

**Applicant:** Warren County

**County (ies):** Warren, Saratoga

**CFA #**26577

**Project Name:** First Wilderness Heritage Corridor Plan Implementation Projects

**Project Description:** Warren County working with the Towns of Hadley, Lake Luzerne and Stony Creek and the Sacandaga-Hudson Advisory County will implement four projects to implement the intermunicipal First Wilderness Heritage Corridor Plan. Projects include construction of in-stream whitewater structures in the Sacandaga River, upgrading of parking and restroom facilities at the Dean Farm Recreation Area, design of hamlet revitalization components in Stony Creek, and expansion and upgrading of teaching facilities at the Adirondack Folkschool.

**Amount Awarded:** \$553,500

**Applicant:** Warren County

**County (ies):** Warren, Washinton, Essex

**CFA #**32168

**Project Name:** Lake George Invasive Species Management and Control

**Project Description:** Warren County, in partnership with the membership of the Lake George Watershed Coalition, will pursue a systematic program of aquatic invasive species prevention, control and management, concentrating on research, prevention of introduction, early detection and aggressive control.

**Amount Awarded:** \$482,050

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**CENTRAL NEW YORK**

**Applicant:** Cayuga County

**County (ies):** Cayuga

**CFA #**27133

**Project Name:** Emerson Park Improvements

**Project Description:** Cayuga County will design and build improvements to Emerson Park on Owasco Lake in the City of Auburn, including renovation of the boat launch, docking facilities, a seawall supporting a boat tie-up area, roads, and the existing lakeshore boardwalk.

**Amount Awarded:** \$102,876

**Applicant:** City of Syracuse

**County (ies):** Onondaga

**CFA #**31688

**Project Name:** Onondaga Lake Access Improvements

**Project Description:** The City of Syracuse will construct the Lake Lounge, a public access area on Onondaga Lake. This project will also prepare designs for another proposed project described in the Onondaga Creek Waterfront Revitalization Strategy, which will be selected through a public engagement process.

**Amount Awarded:** \$720,000

**Applicant:** City of Syracuse

**County (ies):** Onondaga

**CFA #**30953

**Project Name:** Onondaga Creek Bank Stabilization

**Project Description:** The City of Syracuse will enhance the stability of Onondaga Creek bank, by reconstructing a 120-foot- long gap in a retaining wall along the western side of Onondaga Creek. This project will also enhance the aesthetics of the area by adding a stone fascia to the wall and three concrete art platforms between the retaining wall and the adjacent parking lot.

**Amount Awarded:** \$332,000

**Applicant:** Oswego County

**County (ies):** Oswego, Cayuga, Onondaga, Madison, Cortland

**CFA #**30958

**Project Name:** Central New York Region Recreation and Heritage Plan

**Project Description:** Oswego County, with the Central New York Regional Planning and Development Board and Cayuga, Onondaga, Madison, Cortland Counties, will prepare the Central New York Region Recreation and Heritage Plan, providing the foundation for the establishment of a regionally inter-linked recreational and heritage network.

**Amount Awarded:** \$65,000

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**FINGER LAKES**

**Applicant:** City of Rochester

**County (ies):** Monroe

**CFA #**32164

**Project Name:** Promenade at Erie Harbor Construction

**Project Description:** The City of Rochester will construct a public promenade along the Genesee River with a pedestrian ramp to connect to the Court Street Bridge, renovate the Johnson Seymour Mill Race and River Wall and install educational signage. The promenade will establish a connection to the larger Genesee Gateway Trail System.

**Amount Awarded:** \$1,200,000

**Applicant:** City of Geneva

**County (ies):** Ontario

**CFA #**27620

**Project Name:** Access Improvements to Seneca Lake - Phase 2

**Project Description:** The City of Geneva will design and construct shoreline improvements and a multi-use path along Seneca Lake from Long Pier to Castle Creek. This project implements the City's Waterfront Infrastructure Feasibility Study.

**Amount Awarded:** \$800,000

**Applicant:** Village of Macedon

**County (ies):** Wayne

**CFA #**26971

**Project Name:** Macedon Canal Park Enhancements

**Project Description:** The Village of Macedon will design enhancements to the underutilized Macedon Canal Park including an ADA compliant fishing/boat access platform and kayak launch, comfort station, picnic pavilion improvements, wayfinding signage kiosks, walkways, and lighting.

**Amount Awarded:** \$21,225

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**LONG ISLAND**

**Applicant:** City of Long Beach

**County (ies):** Nassau

**CFA #**32550

**Project Name:** Creating Resilience: A Planning Initiative

**Project Description:** The City of Long Beach will update their comprehensive plan to identify strategies to restore and protect its economic vitality after storms and the recession.

**Amount Awarded:** \$75,000

**Applicant:** Town of North Hempstead

**County (ies):** Nassau

**CFA #**29511

**Project Name:** Town of North Hempstead Waterfront Revitalization Plan

**Project Description:** The Town of North Hempstead will develop a comprehensive waterfront revitalization plan including a feasibility study to refurbish the town dock, economic development plan, shoreline restoration and natural resource protection plan, and disaster mitigation and resiliency plan for waterfront properties and businesses.

**Amount Awarded:** \$125,000

**Applicant:** Town of East Hampton

**County (ies):** Suffolk

**CFA #**27881

**Project Name:** Town of East Hampton Commercial Fishing Docks Infrastructure Project

**Project Description:** The Town of East Hampton will design and construct improvements to two existing docks - Star Island Road Dock and West Lake Drive Dock - located on Lake Montauk. This project is a regional economic priority that supports the Montauk Commercial Fishing Fleet and promotes tourism.

**Amount Awarded:** \$253,641

**Applicant:** Town of Smithtown

**County (ies):** Suffolk

**CFA #**28007

**Project Name:** Town of Smithtown Local Waterfront Revitalization Program Update

**Project Description:** The Town of Smithtown will update its Local Waterfront Revitalization Program adopted in 1989 with the goal of enhancing the preservation of natural assets, preserving fisheries through the control of pollutants to the Nissequogue River and Long Island Sound and improving public access to coastal areas.

**Amount Awarded:** \$30,000

**Applicant:** Town of Southampton

**County (ies):** Suffolk

**CFA #**32090

**Project Name:** Design of Peconic River Pedestrian Bridge

**Project Description:** The Town of Southampton will plan and design a pedestrian footbridge over the Peconic River. The project will link downtown Riverhead to the Riverside commercial core, furthering the revitalization of these communities.

**Amount Awarded:** \$85,875

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**MID-HUDSON**

**Applicant:** Town of Poughkeepsie

**County (ies):** Dutchess

**CFA #**28999

**Project Name:** Town of Poughkeepsie Local Waterfront Revitalization Program Update

**Project Description:** The Town of Poughkeepsie will update its 1999 Local Waterfront Revitalization Program to guide land use planning and decision making and promote appropriate and sustainable redevelopment within the Town's coastal zone.

**Amount Awarded:** \$25,000

**Applicant:** Town of Delaware

**County (ies):** Sullivan

**CFA #**31660

**Project Name:** Railroad Square Crossing

**Project Description:** The Town of Delaware will upgrade the railroad crossing between upper and lower Main Street to allow greater connectivity to the business district.

**Amount Awarded:** \$79,834

**Applicant:** City of Kingston

**County (ies):** Ulster

**CFA #**29936

**Project Name:** Design of Kingston Point Rail Trail

**Project Description:** The City of Kingston will design multi-modal connections along its Hudson River and Rondout waterfronts to the core of Kingston in Midtown. The project will provide safe alternatives for non-motorized transportation to create a more livable vibrant community through complete streets strategies and establishment of trail systems.

**Amount Awarded:** \$73,650

**Applicant:** City of New Rochelle

**County (ies):** Westchester

**CFA #**27633

**Project Name:** New Rochelle Local Waterfront Revitalization Program

**Project Description:** The City of New Rochelle will update their draft Local Waterfront Revitalization Program developed in 1999 to guide waterfront development and incorporate a land use plan for David's Island.

**Amount Awarded:** \$79,200

**Applicant:** Village of Ossining

**County (ies):** Westchester

**CFA #**28192

**Project Name:** Design of Village Dock Extension

**Project Description:** The Village of Ossining will design an extension of an existing public dock along the Hudson River. The dock's extension will add recreational opportunities along the waterfront and promote tourism in the region.

**Amount Awarded:** \$21,500

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**Applicant:** City of Peekskill

**County (ies):** Westchester

**CFA #**28589

**Project Name:** Fleischmanns Pier Reconstruction Design

**Project Description:** The City of Peekskill will conduct planning and design for Fleischmann's Pier to determine the future use of the pier. The project will lead to the revitalization of the pier which will greatly enhance its utility and aesthetics at a prominent point along the Hudson River.

**Amount Awarded:** \$175,000

**Applicant:** Village of Port Chester

**County (ies):** Westchester

**CFA #**27314

**Project Name:** Byram River Bulkhead Design

**Project Description:** The Village of Port Chester will develop design and construction drawings for a collapsed bulkhead along the Byram River waterfront. The completion of final design will facilitate the replacement of the failed bulkhead, which is pivotal to the resurgence of the waterfront.

**Amount Awarded:** \$225,420

**Applicant:** Village of Tarrytown

**County (ies):** Westchester

**CFA #**31387

**Project Name:** Tarrytown Pedestrian Tunnel Accesway Project

**Project Description:** The Village of Tarrytown will prepare a feasibility study to identify options to restore and reopen the pedestrian pathway under the Metro North railroad tracks. This pathway will provide a link to the waterfront and increase public access to the Hudson River.

**Amount Awarded:** \$37,500

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**MOHAWK VALLEY**

**Applicant:** City of Utica

**County (ies):** Oneida

**CFA #**32339

**Project Name:** Utica Harbor Phase I and II Projects

**Project Description:** The City of Utica will conduct engineering and planning to advance the Utica Harbor Master Plan including hydrology, bulkhead evaluation, environmental review, cultural investigations and potential recreation uses. The project will also include construction of streetscape improvements, closure of a dredge spoils area, site assemblage and property acquisition.

**Amount Awarded:** \$500,000

**Applicant:** Village of Schoharie

**County (ies):** Schoharie

**CFA #**32354

**Project Name:** Waterfront Recreational Assets Planning

**Project Description:** The Village will complete planning to merge existing and potential waterfront and floodplain FEMA buyout properties to create a cohesive waterfront recreational plan to help spur physical and economic revitalization following Tropical Storm Lee flooding.

**Amount Awarded:** \$41,750

**Applicant:** Schoharie County

**County (ies):** Schoharie, Greene, Montgomery, Albany, Schenectady, Saratoga, Hamilton, Oneida, Fulton

**CFA #**28618

**Project Name:** Mohawk River Watershed Management Plan Implementation: Phase 1

**Project Description:** Schoharie County, in cooperation with Schoharie, Montgomery, Schenectady, Albany, Oneida, Saratoga, Hamilton, Fulton, and Greene County Soil and Water Conservation Districts, will implement components of the Mohawk River Watershed Management Plan. Components will include preparation of flood mitigation studies in the Schoharie Creek Watershed, installation of best management practices to reduce stormwater impacts and invasive species management.

**Amount Awarded:** \$483,625

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**NEW YORK CITY**

**Applicant:** New York City

**County (ies):** Kings, Queens

**CFA #**28289

**Project Name:** Jamaica Bay Habitat Restoration and Waterfront Revitalization

**Project Description:** The NYC Department of Parks & Recreation, working with the NYC Department of Environmental Protection, will expand restoration of vital and resilient coastal ecosystems in Jamaica Bay and plan for public access and utilization of the waterfront at Sunset Cove in Broad Channel.

**Amount Awarded:** \$395,997

**Applicant:** New York City

**County (ies):** New York, King, Richmond

**CFA #**31870

**Project Name:** Catalyst Revitalizing Waterfront Parks Phase IV

**Project Description:** The NYC Department of Parks & Recreation, in partnership with the City Parks Foundation, will continue the Catalyst Reclaiming Our Waterfront Parks program, a collaborative Partnership For Parks public/private initiative between the two agencies. Catalyst is designed to plan and implement revitalization of underserved neighborhoods' underutilized waterfront parks. Unique programs are developed at such targeted park communities, generating public consensus for the future of their waterfront neighborhood through community visioning that identifies issues, needs and opportunities, identification and mentoring of community leaders and preparation of a plan to implement community and waterfront revitalization. This round of Catalyst will continue work in Kaiser and Calvert Vaux Parks on either side of Coney Island Creek in South Brooklyn, and launch the Catalyst Program at Faber Pool and Park in the Port Richmond area of Staten Island, and East Harlem waterfront parks along the East River from East 96th Street to East 132nd Street.

**Amount Awarded:** \$350,000

**Applicant:** New York City

**County (ies):** Richmond

**CFA #**28468

**Project Name:** Oakwood Beach Habitat Restoration

**Project Description:** The NYC Department of Environmental Protection will complete Phase 1 preliminary planning to restore salt marsh and sand dunes habitat in the Oakwood Beach neighborhood of Staten Island to become more resilient to future flood and storm surge damage and reduce the risk of persistent wildfires.

**Amount Awarded:** \$300,000

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**NORTH COUNTRY**

**Applicant:** Town of Plattsburgh

**County (ies):** Clinton

**CFA #**31588

**Project Name:** Lake Champlain/Saranac River Waterfront Plan

**Project Description:** The Town of Plattsburgh will prepare the Lake Champlain/Saranac River Waterfront Plan to explore hamlet redevelopment strategies, improve waterfront access and connect the hamlets to Lake Champlain through a greenway trail system. Additionally, conceptual designs will be developed for improvements to connect the hamlets to the Saranac River and Lake Champlain waterfronts.

**Amount Awarded:** \$25,000

**Applicant:** Clinton County

**County (ies):** Clinton, Franklin

**CFA #**28950

**Project Name:** Clinton and Franklin Counties Waterfront Revitalization Advancement

**Project Description:** Clinton and Franklin counties will advance priority projects from the Essex and Clinton Counties Waterfront Plan, Clinton County Destination Plan, and other community and waterfront revitalization plans in order to improve the regional tourism infrastructure and strengthen the regional tourism economy in the Lake Champlain region. The Counties will also develop an Action Plan to return key underutilized properties in downtown centers to productive private sector reuse.

**Amount Awarded:** \$625,000

**Applicant:** Town of Newcomb

**County (ies):** Essex

**CFA #**28059

**Project Name:** NYS Route 28N Corridor and Hudson River Waterfront Economic Revitalization Plan

**Project Description:** The Town of Newcomb will develop a Hudson River Waterfront and Economic Revitalization Plan to increase tourism, identify and attract recreation-based businesses and accommodations, and enhance access to public lands.

**Amount Awarded:** \$37,500

**Applicant:** Town of Canton

**County (ies):** St. Lawrence

**CFA #**31709

**Project Name:** Grasse River Corridor Blueway Trail Planning and Implementation

**Project Description:** The Town of Canton will partner with Towns along the Grasse River to develop a Blueway Trail Plan, promote the river corridor, create a boat launch in the Hamlet of Pyrites, and develop a land-based trail master plan.

**Amount Awarded:** \$85,000

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**Applicant:** Town of Fine

**County (ies):** St. Lawrence

**CFA #**25903

**Project Name:** Clifton-Fine Tourism and Recreation Development

**Project Description:** The Towns of Clifton and Fine will advance projects identified in their 2007 Revitalization Strategy including planning to mitigate risks of invasive species in local waterways, a regional recreational tourism marketing plan and a wilderness recreation branding strategy. The Towns will also continue development of waterfront access sites, develop a master trail guide for the Clifton Fine area, and update the local waterfront revitalization strategy to identify new tourism infrastructure and wilderness recreation projects that promote sustainable economic development in the Adirondack Park.

**Amount Awarded:** \$67,500

**Applicant:** City of Ogdensburg

**County (ies):** St. Lawrence, Jefferson

**CFA #**31829

**Project Name:** Oswegatchie River Blueway Trail

**Project Description:** The City of Ogdensburg, in partnership with the Towns of Oswegatchie, Canton, Dekalb and Fine, the Villages of Heuvelton, Rensselaer Falls and Gouverneur and St. Lawrence County, will prepare the Oswegatchie River Blueway Trail Development Plan. The Plan will provide an strategy to develop and promote this resource as a regional asset for tourism, recreation and community development.

**Amount Awarded:** \$25,000

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**SOUTHERN TIER**

**Applicant:** Village of Deposit

**County (ies):** Broome, Delaware

**CFA #**28579

**Project Name:** Front Street Improvements

**Project Description:** The Village of Deposit, located on the West Branch of the Delaware River, will design and construct streetscape enhancements along Front Street, from Court Street to Dean Street to improve connections between the downtown and waterfront recreation areas.

**Amount Awarded:** \$122,307

**Applicant:** Village of Sidney

**County (ies):** Delaware

**CFA #**30926

**Project Name:** Main Street Improvements

**Project Description:** The Village of Sidney, located on the south shore of the Susquehanna River, will design and build pedestrian facilities and stormwater infrastructure on Main Street, from River Street to Division Street, and conduct a green infrastructure feasibility analysis for lands between Main Street and the Susquehanna River.

**Amount Awarded:** \$655,000

**Applicant:** Village of Watkins Glen

**County (ies):** Schuyler

**CFA #**28242

**Project Name:** Planning for Watkins Glen Middle Marina

**Project Description:** The Village of Watkins Glen will conduct preliminary planning for the purposes for restoring and expanding marina capacity behind the middle breakwater at the south end of Seneca Lake. This project is part of the larger "Project Seneca", an effort to create and expand public access to Seneca Lake by removing and relocating the wastewater treatment facility, and increase economic development opportunities through increased tourism and a proposed mixed use development.

**Amount Awarded:** \$106,750

**Applicant:** Tompkins County

**County (ies):** Tompkins

**CFA #**31050

**Project Name:** Relocation of NYS DOT Maintenance Facility Feasibility Study

**Project Description:** Tompkins County, in cooperation with the City of Ithaca, will assess the feasibility of relocating the NYS DOT Tompkins County maintenance facility, from its current location on the Cayuga Inlet waterfront. Relocation of the facility will allow for mixed-use development on this prime waterfront location and contribute to the local economy and tax base.

**Amount Awarded:** \$56,000

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**WESTERN NEW YORK**

**Applicant:** Erie County

**County (ies):** Allegheny, Cattaraugus, Chautauqua, Erie, Genesee Niagara, Orleans, Wyoming

**CFA #**29731

**Project Name:** Regional Niagara River Lake Erie Watershed Management Plan Phase 2

**Project Description:** Erie County, in partnership with Buffalo Niagara Riverkeeper and Lake Erie Watershed Protection Alliance (LEWPA), will prepare The Regional Niagara River/Lake Erie Watershed Management Plan-Phase 2 continuing and expanding this community based watershed planning effort.

**Amount Awarded:** \$507,830

**Applicant:** Village of Celoron

**County (ies):** Chautauqua

**CFA #**31681

**Project Name:** Improvements to Lucille Ball Memorial Park

**Project Description:** The Village of Celoron will update its zoning code to attract appropriate waterfront development and design public access and recreation improvements to Lucille Ball Memorial Park on Chautauqua Lake, including a new waterfront trail and kayak/canoe launch.

**Amount Awarded:** \$82,845

**Applicant:** Chautauqua County

**County (ies):** Chautauqua

**CFA #**25697

**Project Name:** Northern Chautauqua County Local Waterfront Revitalization Program

**Project Description:** The Chautauqua County Department of Planning & Economic Development will prepare a Local Waterfront Revitalization Program (LWRP) for Northern Chautauqua County, including the City of Dunkirk; Villages of Silver Creek and Westfield; and Towns of Hanover, Sheridan, Pomfret, Dunkirk, Westfield, Ripley and Portland. The LWRP will provide a regional plan for the revitalization and protection of Lake Erie's waterfront within Chautauqua County that utilizes and enhances the region's unique natural and community assets while advancing economic development.

**Amount Awarded:** \$65,000

**Applicant:** City of Lackawanna

**County (ies):** Erie

**CFA #**27923

**Project Name:** City of Lackawanna Local Waterfront Revitalization Program Update

**Project Description:** The City of Lackawanna will update its Local Waterfront Revitalization Program, adopted in 1989. The amended LWRP will include a review of the existing waterfront area, inventory existing conditions, update program policies, identify appropriate proposed land and water uses and projects, and revise local laws to implement the program.

**Amount Awarded:** \$30,000

ENVIRONMENTAL PROTECTION FUND SFY 2013-14  
LOCAL WATERFRONT REVITALIZATION PROGRAM AWARDS

**Applicant:** Village of Lewiston

**County (ies):** Niagara

**CFA #**28429

**Project Name:** Village of Lewiston Local Waterfront Revitalization Program Update

**Project Description:** The Village of Lewiston will update its Local Waterfront Revitalization Program, adopted in 1989, to address land use and development issues along the waterfront and business district.

**Amount Awarded:** \$20,250

**Applicant:** City of North Tonawanda

**County (ies):** Niagara

**CFA #**28377

**Project Name:** Gratwick Marina Redevelopment

**Project Description:** The City of North Tonawanda will design and construct improvements to the central and southern marina basins at Gratwick Park Marina along the Niagara River. Improvements will include removal of dilapidated existing docks, repair of failing bulkhead, dredging, new docks and utilities, boardwalk, lighting, landscaping, paving, and signage.

**Amount Awarded:** \$208,125

**Applicant:** Town of Porter

**County (ies):** Niagara

**CFA #**28432

**Project Name:** Town of Porter Local Waterfront Revitalization Program

**Project Description:** The Town of Porter will prepare a Local Waterfront Revitalization Program for its Lower Niagara River and Lake Ontario waterfronts to provide a comprehensive approach to waterfront planning and development in the Town.

**Amount Awarded:** \$34,250
