

The Brownfield Opportunity Area Program Determination of Conformance Application Form

Applicability/Purpose: This application should be used to request a Determination of Conformance from the Secretary of State for a project located on a real property site that is (1) enrolled in and subject to the remediation requirements of the Brownfield Cleanup Program (BCP) as determined by the Department of Environmental Conservation (DEC), and located within a designated Brownfield Opportunity Area (BOA) that has been designated by the Secretary. Eligible taxpayers of a real property site, or the agent(s) of an "eligible taxpayer", must complete this application before applying to the New York State Department of Taxation and Finance to claim up to 5% increase of the tangible property tax credit for expenditures related to a qualified site pursuant to §21 of the New York State Tax Law.

This application may be submitted at any time after DEC has issued a BCP Final Decision Document approving a Remedial Work Plan as described in section 375-3.8(g) of Title 6 of the Official Compilation of Codes, Rules and Regulations of the State of New York (6 NYCRR §375-3.8(g)) for the real property site proposed for development.

Please do not complete this application if you wish to claim tax credits for expenditures related to these other components of the brownfield redevelopment tax credit: (1) site preparation and cleanup tax credit component, and (2) on-site groundwater remediation tax credit component. New York State Department of Taxation and Finance can provide more information on how to apply for these two tax credit components of the brownfield redevelopment tax credit.
