CODE OUTREACH PROGRAM

Issue 2017-1

Code Outreach Program – Mission Statement

The Department of State Division of Building Standards and Codes ([DBSC](#)) in conjunction with the Division of Homeland Security & Emergency Services – Office of Fire Prevention and Control ([OFPC](#)) has implemented a joint outreach program that is intended to guide and educate code enforcement officials and building inspectors. This email represents the first installment of the program; subsequent emails are expected to be distributed at the beginning of every month. The program will provide concise, easily digestible information on:

- New topics that code enforcement officials/building inspectors must be aware of,
- Frequently overlooked or misunderstood code requirements, and
- Concerns relating to the administration and enforcement of the Uniform Code and Energy Code.

The DBSC and OFPC hope the program will foster professional growth and support the efforts of the code enforcement community. Please look for the next installment in early November.

DBSC - A Division of Department of State
OFPC – An Office of the Division of Homeland Security & Emergency Services

If you have questions pertaining to the Code Outreach Program, email us at COP.codes@dos.ny.gov

If you have questions pertaining to the Uniform Code or Energy Code, email our technical support group at: codes@dos.ny.gov.
