

MEMORANDUM

TO: State Fire Prevention and Building Code Council
FROM: Catherine Karp, RA
DATE: February 21, 2012
SUBJECT: Clarifications for the 2010 Uniform Code

For your information, below are two code clarifications for the 2010 Fire Code of New York State. These clarifications will be posted on the DOS website.

In adapting the International Codes for use by the State of New York, certain sections, tables and figures were deleted and certain new text was added. Unfortunately, a number of editorial and cross-referencing errors were published in the documents.

Fire Code of New York State

Section 1028. Bed and breakfast dwellings. A one-family dwelling classified as Group R-3 is permitted to be used as a bed and breakfast dwelling where the means of egress conform with Sections 10278.6.1 and 10278.6.2.

Incorrect section reference.

Section 1029.7. Exit signs. Exit signs shall comply with Section 1029.7.1 through 1029.87.5.

Incorrect section reference.
