## Commission Bulletin 2014-3

### Ambulances at Boxing Events

Promoters are required to arrange for at least one ambulance to be present at all boxing events. Two ambulances are required at the start of an event, and at least one ambulance at all times during the event, (1) when an event is broadcast live on television or (2) when an event has nine or more scheduled bouts.

*Implemented by vote of the Commissioners on June 2, 2014.*
