STATE ATHLETIC COMMISSION

EXECUTIVE MEMORANDUM
POLICY REGARDING UNLAWFUL and ILLICIT SUBSTANCES

The New York State Athletic Commission (“Commission”) pursuant to the powers provided by Title 25 of the Unconsolidated Laws of New York, the regulations promulgated thereunder and in consultation with the Medical Advisory Board has established the following policy regarding unlawful and illicit substances.

Any person desiring to participate in a professional boxing match within the State of New York shall undergo a urinalysis prior to any contest. Any person testing positive for unlawful substances as defined by New York State Penal Law (See, Penal Law, Title M) including but not limited to: Amphetamines, Barbiturates, Cocaine Metabolites, Marijuana Metabolites or any illicit substance (See Attached List of Illicit Substances) may be subject to discipline before the Commission. The Commission in reviewing results for a positive urinalysis may suspend or revoke a boxer’s permit/license and/or issue a fine, and may also reverse or modify the outcome of any related boxing contest in which the boxer participated.

Questions or concerns regarding the Commission’s Illicit Substances Policy may be directed to: Medical Advisor Board, NYS Athletic Commission, 123 William St., 20th Floor, New York, NY 10038.
