E1 CHARITIES REGISTRATION AND CHARITABLE TRUSTS

Most not-for-profit organizations (including corporations and charitable trusts) are required to file annual financial reports with the Attorney General. This requirement is found in Article 7-A of the Executive Law and Article 8 of the Estates, Powers and Trusts Law (EPTL). Specifically, Section 8-1.4 of the EPTL states:

(a) For the purposes of this section, “trustee” means (1) any individual, group of individuals, corporation or other legal entity holding and administering property for charitable purposes, whether pursuant to any will, other instrument or agreement, court appointment, or otherwise pursuant to law, over which the attorney general has enforcement or supervisory powers, (2) any non-profit corporation organized under the laws of this state for charitable purposes, and (3) any non-profit foreign corporation organized for charitable purposes, doing business or holding property in this state. Neither a foreign corporation nor a trustee acting under the will of, or any agreement executed by, a non-resident of this state shall become subject to the provisions of this section merely by reason of maintaining a bank, custody, investment or similar account in this state.

(b) A trustee shall not be qualified to make application for funds or grants or to receive such funds from any department or agency of the state without certifying compliance with paragraphs (d), (f), and (g) of this section and all applicable registration and reporting requirements of Article 7-A of the Executive Law.

In addition, please note that the new Charities Registration number is a 6-digit number with a hyphen after the second and fourth digits.

Pages E-2 and E-3 contain the inclusive listing of exemptions to the registration and reporting requirements of each article of law cited above.

If the Contractor qualifies for exemption from either article of law, place the complete number, i.e., 2(b), of the exemption in the respective section of Box 4 on the Contract Face Page.
