

On Morgan Barron, Our Rochester VISTA!

Morgan Barron

Morgan Barron is the Community Engagement Coordinator at the Mayor of Rochester's Office of Constituent Services. Her main responsibilities this year were community outreach, maintenance of social media, and developing both the Young Professionals Development program and Inspiring Success Series. These initiatives continue to provide the young citizens of Rochester with opportunities to prepare for successful careers.

In her VISTA year, Morgan has not only learned to advocate for herself, but to always continue improving upon things; including her own project and time management, as well as organizational skills. Her resilience has

resulted in a position with Rochester's Department of Environmental Services at the end of her service term. Though Morgan did not think that she would be professionally involved in politics, her experience in City Hall has taught her to use the versatility of her talents to advocate for the very community that she was born and raised in.

Congratulations and thank you for your service Morgan! We look forward to seeing the positive impacts of your work in your upcoming role.

Timesheet Update

If you are not already aware, the NYS DOS Division of Community Services has issued an email with new timesheet formatting and submission instructions. This new process goes into effect immediately and betters DCS' ability to consistently monitor VISTA members' service hours.
