Read the instructions carefully before completing the application. Incomplete applications will be returned, delaying licensure. What is a Professional Boxer?

New York State law (Title 25 of the Unconsolidated Laws) defines a professional boxer as: “one who competes for a money prize or teaches or pursues or assists in the practice of boxing as a means of obtaining a livelihood or pecuniary gain... .”(NY Uncon. § 8907)

What is the fee and term for a Professional Boxer?

The application fee for a Professional Boxing license is \$10.00 and is valid until September 30th of the year which the license is granted.

The application fee for a Professional Boxing permit is \$20.00 and is only valid for one contest.

When can I apply for a license or permit?

In order to be granted a license or permit you must first be scheduled to appear on a professional boxing card and pass rigorous medical exams, accordingly, you should not submit this application until you have been conditionally approved to box by the Commission.

Do I need to complete the Child Support Statement section of the application?

Yes, a Child Support Statement is mandatory in New York State (General Obligations Law § 3-503). The law requires you to complete this section — regardless of whether or not you have children or any support obligation.

Any person who is four months or more in arrears in child support may be subject to having his or her business, professional and driver’s licenses suspended.

The intentional submission of a false written statement for the purpose of frustrating or defeating the lawful enforcement of support obligations is punishable under §175.35 of the Penal Law. It is a class E felony to offer a false instrument for filing with a state or local government with the intent to defraud.

PRIVACY NOTIFICATION

Do I need to provide my Social Security and federal ID numbers on the application?

Yes. The State Athletic Commission is required to collect the federal Social Security and Employer Identification numbers of all licensees. The authority to request and maintain such personal information is found in §5 of the Tax Law and §3-503 of the General Obligations Law. Disclosure by you is mandatory. The information is collected to enable the Department of Taxation and Finance to identify individuals, businesses and others who have been delinquent in filing tax returns or may have underestimated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. It will be used for tax administration purposes and any other purpose authorized by the Tax Law and may also be used by child support enforcement agencies or their authorized representatives of this or other states established pursuant to Title IV-D of the Social Security Act, to establish, modify or enforce an order of support, but will not be available to the public. A written explanation is required where no number is provided. The authority to request this information is also provided by 19 NYCRR § 207.7(a)(1). This information will be maintained in the Licensing Information System by the Commission, at 123 William Street, New York, NY 10038-3804.

Do I need to be fingerprinted to obtain a boxing permit?

No, only applicants for a boxer’s license need to submit fingerprints.

Can I obtain more than 1 permit in New York?

Generally no. Commission policy requires a permit holder to obtain a license after their first fight in New York. Absent compelling cause multiple boxer permits will not be issued.
