Notary Public Application Instructions

Please read all instructions carefully, as incomplete applications will be returned. Send these materials to the address indicated on the reverse side of this application. Notary Public commissions automatically expire four years from the effective date. It is important that you notify this division of any changes in your address so you will continue to receive renewal notices and other notifications pertinent to your commission.

Oath of Office Instructions

To qualify for appointment, an oath of office must be signed in the presence of a commissioned Notary and submitted to the Department of State with your completed application and \$60 fee. An identification card, stating the effective and expiration dates of your four-year commission, will be mailed to you directly by the Department of State.

Application Instructions

1. The name printed in which you wish to be commissioned must conform exactly to the signature that will be used as a notary public. Initials may be used, as in John A. Doe or J. Arthur Doe, but NOT J. Doe or J.A. Doe.
2. The use of a P.O. Box as the only address is not acceptable. A street address is required. County clerk employees should use the county clerk address. Non-resident notaries must use the street address of their New York State business. **Please note: Addresses are subject to disclosure under the Freedom of Information Law (FOIL). If you do not want your home address released, you must provide a business address.**
3. Examination admission requirements: You must have taken and passed the NYS Notary Public Examination. Examination results are only valid for a period of two years. If you are an attorney who is currently a member of the New York State Bar or a court clerk of the Unified Court System, appointed to that position after taking a Civil Service promotional examination in the court clerk series of titles you are not required to have taken and passed the examination. Attorneys and court clerks are **not** exempt from the application fee.

PRIVACY NOTIFICATION

Do I need to provide my Social Security and federal ID numbers on the application?

Yes, if you have a social security number or Federal ID number, you are required to provide this number. If you do not have a social security number or Federal ID number, please provide a written explanation.

It will be used for tax administration purposes and any other purpose authorized by the Tax Law and may also be used by child support enforcement agencies or their authorized representatives of this or other states established pursuant to the Title IV-D of the Social Security Act, to establish, modify or enforce an order of support, but will not be available to the public. A written explanation is required where no number is provided.
