Cosmetology Application

For a faster and easier process, the Division of Licensing Services encourages applicants to apply online. Using online services provides a quicker turnaround time on your application and updates and it allows you to view and access your license records throughout the license process.

Visit our website at: www.dos.ny.gov

Please see the online section of these instructions for more information.

Read the instructions carefully before completing the application. All fields are mandatory, incomplete applications will be returned, delaying licensure. Any omission, inaccuracy or failure to make full disclosure in an application or supporting documentation may be deemed sufficient reason to deny a license, or, if a license is issued could result in the suspension or revocation of a license.

What does the practice of Cosmetology cover?

The practice of Cosmetology includes providing the services of natural hair styling, esthetics, nail specialty and waxing and also includes providing services to the hair, head, face, neck or scalp of a human being, including but not limited to shaving, trimming, and cutting the hair or beard either by hand or mechanical appliances and the application of antiseptics, powders, oils, clays, lotions or applying tonics to the hair, head, or scalp, and in addition includes providing, for a fee or any consideration or exchange, whether direct or indirect, services for the application of dyes, reactive chemicals, or other preparations to alter the color or to straighten, curl, or alter the structure of the hair of a human being.

Who must apply for a Cosmetology license?

Any person practicing Cosmetology as described above is required by law to have a Cosmetology license. A Cosmetology license will not permit you to operate a business; a separate business application must be completed and a separate business license obtained.

What qualifications and supporting documents do I need to apply for licensure?

If you are at least 17 years old, you may apply for a Cosmetology license based on:

1) *New York State Education and Examinations (eligible for temporary license)*

You must complete a 1,000 hour approved course of study and pass both the New York State written and practical examinations to get a license to operate in this state.

On a paper application the school director must complete and sign the **Affirmation of New York State Approved School** section of the application form.

For an online application using NYS License Center, you must enter the curriculum code listed on your school certificate. Schools participating in the online certification program will affirm the completion of the course for the student through NYS License Center. For schools that are not participating in the online certification program, you must upload your school certificate when you have reached the “Affirmation of NYS Schooling” section of the online application. The system will notify you which method is required based on the curriculum code selected.

After your application is reviewed and accepted, you will receive an email that explains the examination process in detail.

2) *Education Outside of New York State or the United States (eligible for temporary license)*

We may waive the New York State schooling requirement if you can document an equivalent level of schooling from another state or country. You must submit **all** three of the following documents:

(1) a school certificate;

(2) a school transcript listing subjects and hours completed;
AND

(3) a current Certification of Licensure from your state board **or, if not licensed**, a current Certification from your state’s board verifying the hours claimed.

Cosmetology Application

After your application is reviewed and accepted, you will also be required to pass both the New York State written and practical examinations to obtain a Cosmetology license in this state. You will receive information that explains the exam process in detail.

3) **Experience: 5 years outside New York State**

Any individual having five years of legal experience in an occupation equivalent to cosmetology may apply for a New York State license by submitting satisfactory evidence of education and experience.

Within the United States experience:

- (1) An original certification from the licensing agency you were previously licensed with.
- (2) Two experience statements filled out by former employers, co-workers, clients, that can claim your experience in the state for at least five years. These experience statements must include **EXACT** dates (month and year of start of service and month and year of end of service), location (city, state, shop name) and specific services that you performed.
- (3) **Copy** of tax returns which indicate cosmetology as occupation.

Outside of the United States experience:

Evidence may include but is not limited to:

- (1) Official certification from the licensing authority in your country or verification from the Consulate that a license is not required to practice this occupation in your country.
- (2) Detailed letters from employer(s) in your country specifying **EXACT** dates of employment, location and specific services that you performed.
- (3) Detailed letters from your client(s), or coworker(s), in your country specifying **EXACT** dates of service, location and specific services you performed.
- (4) **Copy** of passport which indicates cosmetology as occupation, drivers' license, workbook with cosmetology experience, or any photo identification.
- (5) **Copies** of course curricula and diplomas/certificates for education completed in your country.
- (6) **Copy** of tax returns which indicate cosmetology as occupation.

After your application is reviewed and accepted, you may obtain a Cosmetology license in New York State without examination or further education.

4) **Endorsement/Reciprocity**

An applicant who holds a Cosmetology license in another jurisdiction may obtain a Cosmetology license in New York through endorsement or reciprocity. Refer to our website

www.dos.ny.gov for a Cosmetology endorsement or reciprocity list to determine if you qualify for licensure based on endorsement or reciprocity.

An applicant must submit a copy of the original certification dated within 6 months from the jurisdiction where s/he holds an equivalent license.

5) **Previous New York State Licensure**

An individual who fails to file an application and fee for renewal within five years of the expiration date cited on the individual's license shall be ineligible for such license until he/she passes a written exam. Proof of previous licensure may be required.

Why do I need to provide my email address on the paper application?

Your email address will be used to create your NYS License Center account. Most communications will be sent via email. If you change your email address in the future you will need to log into your account and update it with the new email address.

How do I schedule my examination once my application has been approved?

Scheduling exams will only be available through your online account.

Once your application has been approved you will receive an email notifying you that you may now schedule your exam. If you applied online through the NYS License Center you will be able to log into your account to schedule your examination. If you applied by submitting a paper application to the Division of Licensing Services, the email will be sent to the email address you included in your application. If you have indicated that you require special testing arrangements, you will be contacted by a representative from the Division of Licensing Services to have your examination scheduled for you.

Can I work before passing the state exams?

Yes. Two six-month temporary licenses are available to applicants who want to work while completing the examination process. Only applicants applying based on education obtained in New York State or the United States are eligible for temporary licensure. Applicants may apply for a temporary license renewal once they have passed the written or practical examination. Once you pass both examinations, a four-year license will be issued.

What are the fees and terms of licensure?

\$40 - Original application license fee (for all applicants). For those applicants who are not required to pass the examinations (e.g., applying based on 5 years of legal experience or reciprocal applicants already licensed in another state), this is the only fee that is required.

Cosmetology Application

\$10 - 6 month temporary license fee.

\$10 - 6 month temporary license renewal fee (separate application).

Please Note: If applying for an original application and a temporary license, you may submit one \$50 application fee. Separate application fees are not required.

The term of licensure is four years. The term for a temporary license is 6 months.

\$15 - Exam fee (to be collected when you schedule your examination online)

What forms of payment do you accept?

You may pay by check or money order made payable to the Department of State. You may also pay by American Express, MasterCard or Visa, using a credit card authorization form or when applying online. Do not send cash. **Application fees are nonrefundable.** A \$20 fee will be charged for any check returned by your bank.

Do I need a physical to be licensed?

Yes. You need to be examined by a physician, physician's assistant or nurse practitioner to apply for a license in Cosmetology. Your **physician, physician's assistant or nurse practitioner** must complete and date the Health Certification section of the application or the Health Certification Form (DOS-1948) if you are applying online. You must submit your application within 30 days after the certification is signed and dated.

Child Support Statement

A Child Support Statement is mandatory in New York State (General Obligations Law) regardless of whether or not you have children or any support obligation. **Any person who is four months or more in arrears in child support may be subject to having his or her business, professional and driver's licenses suspended.** The intentional submission of a false written statement for the purpose of frustrating or defeating the lawful enforcement of support obligations is punishable under §175.35 of the Penal Law. It is a class E felony to offer a false instrument for filing with a state or local government with the intent to defraud.

I am applying online, how do I notify this department of my physical examination?

All applicants need to be examined by a physician, physician's assistant or nurse practitioner to apply for a license in Cosmetology. The license application must be submitted within 30 days after an examination by a physician, physician's assistant or nurse practitioner and must include their name and contact information on the application. The Health Certification Form (DOS-1948) must be completed and can be downloaded from the Department of State website.

On your online application using NYS License Center, you must utilize the information contained on the completed Health Certification form. You are required to enter information from this form into the health certification fields within the system.

Please note: This completed Health Certification Form is subject to audit by an investigator to ensure compliance with this requirement. Evidence of this form must be maintained on your work premises for audit purposes.

PRIVACY NOTIFICATION

Do I need to provide my Social Security and Federal ID numbers on the application?

Yes. The Department of State is required to collect the federal Social Security and Employer Identification numbers of all licensees. The authority to request and maintain such personal information is found in §5 of the Tax Law and §3-503 of the General Obligations Law. Disclosure by you is mandatory. The information is collected to enable the Department of Taxation and Finance to identify individuals, businesses and others who have been delinquent in filing tax returns or may have underestimated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. It will be used for tax administration purposes and any other purpose authorized by the Tax Law and may also be used by child support enforcement agencies or their authorized representatives of this or other states established pursuant to Title IV-D of the Social Security Act, to establish, modify or enforce an order of support, but will not be available to the public. A written explanation is required where no number is provided. This information will be maintained in the Licensing Information System by the Director of Administration and Management, at One Commerce Plaza, 99 Washington Avenue, Albany, NY 12231-0001.
