

RFA#16-BOA: Brownfield Opportunity Area 2016-2017

Eligible Areas

The 2016-2017 Brownfield Opportunity Area Program grant solicitation is open to proposed brownfield opportunity areas for which a pre-Nomination or a partial Nomination (not sufficient for designation) was completed under a previous BOA grant. A list of such BOA grants, which have not produced a full Nomination, is provided below. For reference, the entity that was responsible for the BOA study and the contract number of the BOA grant under which the work was completed are also listed. Please note an applicant other than the original grantee may apply for funding to complete a BOA Nomination that was started on a previous BOA grant.
