I. INTRODUCTION

There is a chronic lack of accessible information about publicly available services and programs in low-income immigrant communities throughout New York State. Low-income New American communities in New York State often lack reliable information regarding workforce development opportunities and other opportunities open to all New Yorkers to fully participate in our State’s civic and economic life. Meanwhile, the complex relationship between immigrants and government has further left newcomers at a deficit for reliable, trusted information. Taken together, this has left New York State’s new American population ignored for career pathways, vulnerable to financial frauds and at an access deficit for possible ladders of opportunities. Dedicated outreach and community welcoming efforts are needed to help low-income immigrants gain access to the same opportunities available to all others in the State and country. To address this need, the New York State Office for New Americans (ONA) is seeking local leadership to coordinate and conduct outreach to low-income immigrant communities, and to create a grassroots community navigators program to help low-income New Americans.

This RFA seeks to award funding to up to fourteen (14) partner organizations located throughout New York State to conduct this work. Through this effort, ONA seeks to maximize the participation of low-income immigrant community members in New York State’s civic and economic life. Using the funding described in this RFA, successful partner organizations will help ONA coordinate and conduct outreach in support of available services by working with grassroots organizations, community leaders, community-based organizations (including ONA Opportunity Centers and Community Action Agencies (CAAs)), Regional Economic Development Council’s Opportunity Agenda workgroups, faith-based organizations and local governments. This Request for Applications (RFA) complements recently funded grant programs that will support the funding of ONA Neighborhood-Based Opportunity Centers (“ONA Opportunity Centers”) around New York State and of legal counsels (“ONA Legal Counsel”) that will provide legal technical assistance to ONA Opportunity Centers.

II. FUNDING AND PROJECT PERIOD

The New York State Department of State (DOS), on behalf of ONA, is making approximately $1,057,000 in federal Community Services Block Grant funding available through this RFA to provide up to fourteen (14) awards to partner organizations to hire and host individuals to serve as ONA Immigrant Community Navigators. The initial contract period is anticipated to be July 1, 2017 – June 30, 2018, with an opportunity for up to two annual renewals. Continued funding is contingent upon funding availability, and the organization’s ability to meet the program requirements of the contract as stipulated in this RFA.

Funds for each award in the initial year is anticipated to be $75,500 per contract. Matching funds are not required for this grant program. The Secretary of State has waived the local share match requirement for this RFA.

The following funding restrictions/guidelines should be noted:

1. Funds awarded under this RFA may not be used to supplant other grant award funds, including any other ONA funding.
2. Ineligible costs are those not adequately justified or that do not directly support the project.
The use of funding must conform to the authorized purposes of the Community Services Block Grant Act, 42 USC section 9901 and 9907[b][1];

The use of funds must comply with all applicable federal cost principles;

The use of funding must ultimately be for the purpose of improving the lives of “low-income persons,” meaning those individuals or families with income levels at or below 125% (percent) of the federal poverty line;

Only organizations with a federally approved indirect cost rate will be able to apply it towards this grant

Ineligible costs will be stricken from proposed budgets.

ONA reserves the right to offer partial or no funding to any potential grantee if its application cannot fulfill its proposed program within the funding restrictions herein. In the event that any awardee fails to satisfactorily negotiate a proper contract, ONA reserves the right to award the contract to the next highest-scoring applicant in the region in question.

III. APPLICANT ELIGIBILITY

The following organizations are eligible to apply for an award:

- Community Action Agencies (CAAs)\(^1\); or,
- Community-based not-for-profit organizations with 501(c)(3) IRS status, having a principal place of business within New York State and meeting the definition of “community-based organization” as outlined in NY Executive Law section 159-e[4]).\(^2\)

All applicants are required to demonstrate that their organization:

- Currently provides services to low-income persons directly or through contract, and includes a board of directors that allows for maximum feasible participation of the poor, either through tripartite composition as required by NY Executive Law section 159-e(2) (for CAAs), or where more than 50% of its members reside in its service area as required by NY Executive Law section 159-e(4) (for CBO’s); and,
- Applicants are required to demonstrate that funds will address one or more of CSBG National Performance Indicators (NPIs) (See Appendix A) and will result in clear and self-evident positive outcomes in the lives of low-income individuals and families.
- Applicant is a not-for-profit organization with a 501(c)(3) status operating continuously for the last three (3) years, and has not been debarred from contracting with the State or federal government in the past three (3) years.

---

1 Community Action Agency shall mean any private not-for-profit organization currently designated as an eligible entity pursuant to New York State Executive Law section 159-e. Such organization shall have a tripartite board as its governing board, selected by the entity and composed so as to assure that: (1) one-third of the members of the board are elected public officials, holding office on the date of selection, or their representatives, except that if the number of such elected officials reasonably available and willing to serve on the board is less than one-third of the membership of the board, membership on the board of appointive public officials or their representatives may be counted in meeting such one-third requirement; (2) not fewer than one-third of the members are persons chosen in accordance with democratic selection procedures adequate to assure that these members are representative of low-income individuals and families in the neighborhood served; and (3) the remainder of the members are officials or members of business, industry, labor, religious, law enforcement, education, or other major groups and interests in the community served.

2 Community-Based Organization shall mean any organization incorporated for the purpose of providing services or other assistance to economically or socially disadvantaged persons within its designated community. Such organization must have a board of directors of which more than half of the members reside in such designated community.
Preference will be given to applicants who demonstrate extensive knowledge of the low-income immigrant community intended to be served by the proposed project, and demonstrate that the organization and its staff working on this project have gained the trust of the immigrant community, and that they have a strategic plan to engage stakeholders in a variety of fields, including, but not limited to, private sector, local governments, not-for-profit organizations, etc.

Current ONA grantees Community Action Agencies or other ONA or DOS past or current grantee are not precluded from applying for this RFA.

V. GENERAL PROGRAM SERVICES

Many low-income New American communities have a complete lack of reliable information regarding available services and programs that would have significant positive impacts on their lives. Though many grassroots and community based organizations and state and local governments have programs and services dedicated to help improve the lives of the members of these vulnerable populations, the lack of widespread coordination and outreach efforts have made these beneficial services virtually inaccessible to the people who need them most. To better serve these low-income immigrant communities, specialists dedicated to conducting intensive outreach efforts in these communities are needed.

This RFA seeks to fund up to fourteen (14) partner organizations. Each partner organization awardee will be required to hire and maintain a 100% dedicated, full time staff member (“ONA Immigrant Community Navigators”) to accomplish the tasks laid out in this RFA for the benefit of low-income New Americans in the designated service area. The program is organized into three separate categories as outlined by the ‘Map of ONA Workforce Outreach and Welcoming Communities Program Regions’ (Appendix C):

1. **Part A** of this RFA seeks two (2) partner organizations to work with Not-for-Profit Organizations based in the North Country.
2. **Part B** of this RFA seeks nine (9) partner organizations to work in regions with a local Opportunity Center outside of New York City.
3. **Part C** of this RFA seeks three (3) partner organizations to work in New York City.

All of the partner organizations, through its respectively hired ONA Immigrant Community Navigator, will be tasked with establishing and leading community navigator programs with the focus to help low-income new Americans integrate into their new communities within New York State. In addition, the ONA Immigrant Community Navigators will create or be involved in a number of employment/career development workshops in connection with their partnering ONA Opportunity Centers or North Country not-for-profit organization(s), and create and execute a community volunteer outreach and recruitment plan geared towards coordinating outreach efforts to better inform and serve the low-income immigrant communities in New York State.

An individual hired by the selected not-for-profit organization to serve as the ONA Immigrant Community Navigator should possess the following requirements prior to being hired:

- Demonstrated previous experience working with low-income communities
- An understanding of the needs of low-income immigrants in the proposed region
- Knowledge of the region and its economy, and the services provided to low-income immigrants through community-based organizations and other entities
- A history of developing effective collaborative relationships with community-based organizations, government agencies and officials, and other entities, etc.

ONA Immigrant Community Navigator should preferably speaks a language aside from English that is in the top languages spoken by limited English proficient low-income immigrants in the region in which you are applying.

In accordance with PL. 105-285, Section 678E, all CSBG Contractors and Delegate agencies in New York State are required to participate in the Result-Oriented Management and Accountability
(ROMA) system approved by the U.S. Department of Health and Human Services, Office of Community Services. This includes preparation and submission of:

- Four (4) Program Progress Reports documenting progress toward achieving the milestones as stated in the approved Work Plan; and
- An Annual Report, which accounts for CSBG funds, and compares the planned use of these funds with the actual uses of the funds. The Annual Report shall be prepared on forms provided by and in the format requested by the Department and must be submitted by November 1st each year.

Applicants are encouraged to participate in the optional Results-Oriented Management and Accountability (ROMA) training through the New York State Community Action Association (NYSCAA). The NYSCAA website, [http://www.nyscaonline.org](http://www.nyscaonline.org), contains all registration information.

X. CONTRACTING REQUIREMENTS

Standard Contract: Successful applicants must enter into a standard contract with the Department of State (DOS) which includes an approved budget and work plan, any attachments or exhibits, and standard clauses required by the NYS Attorney General for all state contracts, along with Article 15-A of the New York Executive Law. The contract includes financial reporting requirements, including procurement procedures. The contract may be subject to approval by the Attorney General and State Comptroller, require submission of final products in both hard copy and electronic form, and be subject to payment only upon proper documentation and compliance with payment procedures and all other contractual requirements. A copy of a sample standard contract can be found as Appendix G. Sample contracts should not be submitted with this proposal; successful applicants will receive a contract package to complete.

Project Period: The initial contract period under all parts of this RFA is anticipated to be July 1, 2017 through June 30, 2018. Failure to incur all expenses or complete all identified outcomes in the stated period may result in loss or recapture of funds. Annual renewals are anticipated based on funding availability and performance.

Vendor Responsibility Questionnaire: DOS strongly recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/vendor_index.htm or go directly to the VendRep System online at https://portal.osc.state.ny.us. Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller’s Help Desk at 866-370-4672 or 518-408-4672 or by email at ciohelpdesk@osc.state.ny.us. Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact DOS or the Office of the State Comptroller’s Help Desk for a copy of the paper form.

XIII. CONTRACT DEVELOPMENT PROCESS

It is anticipated that applications will be reviewed and that successful applicants will be notified of funding decisions on or about April 2017. Successful applicants will be notified of funding decisions through issuance of a Notice of Award document that sets forth the amount of funds granted, and
the terms and conditions of the grant award, which are subject to approval by the Office of the State Comptroller. Grant awards will have a start date of approximately July 1, 2017.

DOS/ONA will begin the contract development process with the successful applicants when the award is announced. Successful applicants may be asked to provide updated work plans and payment schedules that specify the services to be delivered, project goals, claiming process, and other information. The contract will include, but not be limited to, standard terms and conditions such as confidentiality of records, publications, and contract termination. The proposal of the successful applicant will serve as the basis for additional contract terms, which will be modified within the context of this RFA. The contract will constitute a legal agreement between the selected applicant and ONA and will be in force for the full period of the contract.

The contract will have a 12-month payment schedule and it is required for each of the contracts’ specified budget periods. The contract will have the option for two one-year renewals. All plans and working documents prepared by the applicant(s) under the contract to be awarded will become the property of the State of New York.

Unsuccessful applicants may request the opportunity to be debriefed. Requests must be made in writing by June 1, 2017 to the same address to which applications are submitted.

IX. PAYMENT

The contractor may receive a 25% advance of the initial period upon request. Thereafter, each grantee will be reimbursed for expenses incurred pursuant to grant related activities including salary, benefits, travel, and related expenses. No payments will be made until the contract is fully executed and signed by the State Comptroller and the State Attorney General. Contractors will work at their own risk if they conduct program activities before the contract is executed.

X. PROGRAM ASSESSMENT AND MONITORING

a. RECORD KEEPING

The contractor must maintain current and accurate fiscal and accounting controls to support its claims for payment. Records must adequately identify revenue sources and expense items for all contracted activities. Accounting records must be supported by clear documentation for all funds received and disbursed. Records must be retained and be accessible for a period of six years from the end of the contract or last payment or last contract transaction.

If any claim, audit, litigation, or State/Federal investigation is commenced before the expiration of the aforementioned record retention period, the records must be retained by the contractor until all claims or findings regarding the records are finally resolved. DOS/ONA or its designee shall have access to any records relevant to the project (including books, documents, photographs, correspondence, and records), for audits, examinations, transcripts, and excerpts. If DOS/ONA determines that such records possess long-term or historic value, they must be transferred, upon request, to DOS/ONA.

*Failure to provide requested documents could result in immediate termination of the contract.*

b. REPORTING AND VOUCHERING REQUIREMENTS

Awardees must submit copies of the Required Documentation listed in the Payment and Reporting section of the contract on a quarterly basis during the contract term, unless otherwise specified.
Payments will be based on the Required Documentation and other documents that support reimbursement in accordance with the Payment Schedule. Dates of Service in Required Documents should be consistent with the actual service dates. Additional reporting, as required by the terms of the Community Services Block Grant (such as Results Oriented Management and Accountability [ROMA] reporting and the submission of annual reports) and as may be requested from time to time by ONA, shall also be required. Final reports and vouchers, known as “close-out” vouchers, are due within 60 days after the completion of, or termination of, the contract.

c.  MONITORING
ONA will monitor projects on a regular basis throughout the life of the contract. Monitoring may include, but not be limited to, site visits, regular telephone contact and/or discussions of progress reports. The goals of project monitoring are to ensure that the terms of the contract are being met and to provide technical assistance, where necessary, to help the contractor meet the terms of this RFA.

XI.  AMENDMENTS TO THE CONTRACT
Amendments and modifications to executed contracts are sometimes necessary to accommodate the needs of both the contractor and ONA. These changes, which must be by mutual written agreement, may include modification to reimbursement schedules, time and money amendments, or no-cost extensions as necessary. Contract modifications, including amendments and no-cost time extensions, will be made at the discretion of ONA with the approval of the Office of the State Comptroller.

ONA reserves the right to offer partial or no funding to any applicant if its application cannot fulfill its proposed program within the funding restrictions herein. In the event that any awardee fails to satisfactorily negotiate a proper contract, ONA reserves the right to award the contract to the next highest-scoring applicant in the region in question.

XII.  GENERAL TERMS AND CONDITIONS
This RFA and any contract resulting from this RFA is subject to all applicable laws, rules and regulations promulgated by any Federal and State authority having jurisdiction over the subject matter thereof. Any contract awarded pursuant to this RFA will be subject to DOS’ processing procedures for contracts of this type, including approval as to form by the State Attorney General, and as to award by the NYS Division of Budget and NYS Office of the State Comptroller.

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 142-144 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women-owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, state or local laws. Contractor agrees that the terms “MWBE,” “MBE” and “WBE” as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: http://www.esd.ny.gov/mwbe.html.

   b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract Goals established in Section 2(a) hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: http://www.esd.ny.gov/mwbe.html.

   d. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document "good faith efforts" to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract. In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to the Agency for liquidated or other appropriate damages, as set forth herein.

3. **Equal Employment Opportunity (EEO)**

   a. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the "Division").    b. Contractor shall comply with the following provisions of Article 15-A:

STATE OF NEW YORK
MASTER CONTRACT FOR GRANTS

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds $50,000 (or $85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).
C. Order of Precedence:
In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2, Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2, Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1
7. Attachment A-1
8. Other attachments, including, but not limited to, the request for proposal or program application

D. Funding: Funding for the term of the Master Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Master Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

E. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Master Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Master Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

F. Modifications: To modify the Attachments or Face Page, the parties mutually agree to record, in writing, the terms of such modification and to revise or complete the Face Page and all the appropriate attachments in conjunction therewith. In addition, to the extent that such modification meets the criteria set forth in Section I.B herein, it shall be subject to the approval of the AG and OSC before it shall become valid, effective and binding upon the State. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Master Contract.

---

1 To the extent that the modifications to Attachment A-2 are required by Federal requirements and conflict with other provisions of the Master Contract, the modifications to Attachment A-2 shall supersede all other provisions of this Master Contract. See Section I (V).

2 To the extent that the terms of Attachment of A-2 are required by Federal requirements and conflict with other provisions of the Master Contract, the Federal requirements of Attachment A-2 shall supersede all other provisions of this Master Contract. See Section I (V).
H. Severability: Any provision of the Master Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good faith to reform the Master Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

I. Interpretation: The headings in the Master Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered to be gender neutral. The Master Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

J. Notice:

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:
   a. by certified or registered United States mail, return receipt requested;
   b. by facsimile transmission;
   c. by personal delivery;
   d. by expedited delivery service; or
   e. by e-mail.

2. Notices to the State shall be addressed to the Program Office designated in Attachment A-1 (Program Specific Terms and Conditions).

3. Notices to the Contractor shall be addressed to the Contractor's designee as designated in Attachment A-1 (Program Specific Terms and Conditions).

4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.

5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Master Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

K. Service of Process: In addition to the methods of service allowed by the State Civil Practice Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or
shall proceed, any participation without merger, pursuant to the State's Law, and pursuant to Section 5 of the Master Contract, plus any amounts due and owing to the State with regard to the Master Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Master Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State Agency, its representatives, or OSC.

M. Indemnification: The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

N. Non-Assignment Clause: In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

O. Legal Action: No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Master Contract. The term "litigation" shall include commencing or threatening to commence a lawsuit, joining or threatening to join as a party to ongoing litigation, or requesting any relief from any of the State of New York, the State Agency, or any county, or other local government entity. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding, or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

P. No Arbitration: Disputes involving the Master Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

Q. Secular Purpose: Services performed pursuant to the Master Contract are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote
or discourage adherence to religion in general or particular religious beliefs.

**R. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Master Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

**S. Reciprocity and Sanctions Provisions:** The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.\(^3\)

**T. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

**U. Non-Collusive Bidding:** By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor’s behalf.

**V. Federally Funded Grants and Requirements Mandated by Federal Laws:** All of the Specific Federal requirements that are applicable to the Master Contract are identified in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto. To the extent that the Master Contract is funded in whole or part with Federal funds or mandated by Federal laws, (i) the provisions of the Master Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto.

---

\(^3\)As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia, and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to the provision.
II. TERM, TERMINATION AND SUSPENSION

A. Term: The term of the Master Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

B. Renewal:

1. General Renewal: The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

2. Renewal Notice to Not-for-Profit Contractors:

   a) Pursuant to State Finance Law §179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract no later than ninety (90) calendar days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.

   b) Notification to the not-for-profit Contractor of the State's intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.

C. Termination:

1. Grounds:

   a) Mutual Consent: The Master Contract may be terminated at any time upon mutual written consent of the State and the Contractor.

   b) Cause: The State may terminate the Master Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Master Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Master Contract.
c) **Non-Responsibility:** In accordance with the provisions of Sections IV(N)(6) and (7) herein, the State may make a final determination that the Contractor is non-responsible (Determination of Non-Responsibility). In such event, the State may terminate the Master Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.

d) **Convenience:** The State may terminate the Master Contract in its sole discretion upon thirty (30) calendar days prior written notice.

e) **Lack of Funds:** If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.

f) **Force Majeure:** The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a "force majeure." For purposes of the Master Contract, "force majeure" shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

### 2. Notice of Termination:

a) **Service of notice:** Written notice of termination shall be sent by:

   (i) personal messenger service; or

   (ii) certified mail, return receipt requested and first class mail.

b) **Effective date of termination:** The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:

   (i) if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or

   (ii) if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid,
in a depository under the care and control of the United States Postal Service.

3. Effect of Notice and Termination on State's Payment Obligations:

   a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the
effective date of any prospective termination, as many outstanding obligations as
possible, and agrees not to incur any new obligations after receipt of the notice without
approval by the State.

   The State shall be responsible for payment on claims for services or work provided and
costs incurred pursuant to the terms of the Master Contract. In no event shall the State
be liable for expenses and obligations arising from the requirements of the Master Contract
after its termination date.

4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

   Where the Master Contract is terminated for cause based on Contractor's failure to use
some or all of the real property or equipment purchased pursuant to the Master Contract
for the purposes set forth herein, the State may, at its option, require:

   a) the repayment to the State of any monies previously paid to the Contractor; or

   b) the return of any real property or equipment purchased under the terms of the
Master Contract; or

   c) an appropriate combination of clauses (a) and (b) of Section II(C)(4) herein.

   Nothing herein shall be intended to limit the State's ability to pursue such other legal or
equitable remedies as may be available.

D. Suspension: The State may, in its discretion, order the Contractor to suspend performance
for a reasonable period of time. In the event of such suspension, the Contractor shall be
given a formal written notice outlining the particulars of such suspension. Upon issuance of
such notice, the Contractor shall comply with the particulars of the notice. The State shall
have no obligation to reimburse Contractor's expenses during such suspension period.
Activities may resume at such time as the State issues a formal written notice authorizing a
resumption of performance under the Master Contract.

III. PAYMENT AND REPORTING

A. Terms and Conditions:

1. In full consideration of contract services to be performed, the State Agency agrees to pay and
the Contractor agrees to accept a sum not to exceed the amount noted on the Face Page.

2. The State has no obligation to make payment until all required approvals, including the
approval of the AG and OSC, if required, have been obtained. Contractor obligations
or expenditures that precede the start date of the Master Contract shall not be reimbursed.

3. Contractor must provide complete and accurate billing invoices to the State in order to receive
payment. Provided, however, the State may, at its discretion, automatically generate a voucher
in accordance with an approved contract payment schedule. Billing invoices submitted to the
State must contain all information and supporting documentation required by Attachment D (Payment and Reporting Schedule) and Section III(C) herein. The State may require the Contractor to submit billing invoices electronically.

4. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the head of the State Agency, in the sole discretion of the head of such State Agency, due to extenuating circumstances. Such electronic payment shall be made in accordance with OSC’s procedures and practices to authorize electronic payments.

5. If travel expenses are an approved expenditure under the Master Contract, travel expenses shall be reimbursed at the lesser of the rates set forth in the written standard travel policy of the Contractor, the OSC guidelines, or United States General Services Administration rates. No out-of-state travel costs shall be permitted unless specifically detailed and pre-approved by the State.

6. Timeliness of advance payments or other claims for reimbursement, and any interest to be paid to Contractor for late payment, shall be governed by Article 11-A of the State Finance Law to the extent required by law.

7. Article 11-B of the State Finance Law sets forth certain time frames for the Full Execution of contracts or renewal contracts with not-for-profit organizations and the implementation of any program plan associated with such contract. For purposes of this section, "Full Execution" shall mean that the contract has been signed by all parties thereto and has obtained the approval of the AG and OSC. Any interest to be paid on a missed payment to the Contractor based on a delay in the Full Execution of the Master Contract shall be governed by Article 11-B of the State Finance Law.

B. Advance Payment and Recoupment:

1. Advance payments, which the State in its sole discretion may make to not-for-profit grant recipients, shall be made and recouped in accordance with State Finance Law Section 179(u), this Section and the provisions of Attachment D (Payment and Reporting Schedule).

2. Initial advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the first day of the Contract Term or, if renewed, in the period identified on the Face Page. Subsequent advance payments made by the State to not-for-profit grant recipients shall be due no later than thirty (30) calendar days, excluding legal holidays, after the dates specified in Attachment D (Payment and Reporting Schedule).

3. For subsequent contract years in multi-year contracts, Contractor will be notified of the scheduled advance payments for the upcoming contract year no later than 90 days prior to the commencement of the contract year. For simplified renewals, the payment schedule (Attachment D) will be modified as part of the renewal process.

4. Recoupment of any advance payment(s) shall be recovered by crediting the percentage of subsequent claims listed in Attachment D (Payment and Reporting Schedule) and Section III(C) herein and such claims shall be reduced until the advance is fully recovered within the Contract Term. Any unexpended advance balance at the end of the Contract Term shall be refunded by the Contractor to the State.
5. If for any reason the amount of any claim is not sufficient to cover the proportionate advance amount to be recovered, then subsequent claims may be reduced until the advance is fully recovered.

C. Claims for Reimbursement:

1. The Contractor shall submit claims for the reimbursement of expenses incurred on behalf of the State under the Master Contract in accordance with this Section and the applicable claiming schedule in Attachment D (Payment and Reporting Schedule).

Vouchers submitted for payment shall be deemed to be a certification that the payments requested are for project expenditures made in accordance with the items as contained in the applicable Attachment B form (Budget) and during the Contract Term. When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. Requirement (ii) does not apply to grants funded pursuant to a Community Projects Fund appropriation.

2. Consistent with the selected reimbursement claiming schedule in Attachment D (Payment and Reporting Schedule), the Contractor shall comply with the appropriate following provisions:

   a) Quarterly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Attachment C (Work Plan). The Contractor shall submit to the State Agency quarterly voucher claims and supporting documentation. The Contractor shall submit vouchers to the State Agency in accordance with the procedures set forth in Section III(A)(3) herein.

   b) Monthly Reimbursement: The Contractor shall be entitled to receive payments for work, projects, and services rendered as detailed and described in Attachment C (Work Plan).

      The Contractor shall submit to the State Agency monthly voucher claims and supporting documentation. The Contractor shall submit vouchers to the State Agency in accordance with the procedures set forth in Section III(A)(3) herein.

2. The Contractor shall provide to the State updates to the Questionnaire if any material event(s) occurs requiring an amendment or as new information material to such Questionnaire becomes available.

3. The Contractor shall, in addition, promptly report to the State the initiation of any investigation or audit by a governmental entity with enforcement authority with respect to any alleged violation of Federal or state law by the Contractor, its employees, its officers and/or directors in connection with matters involving, relating to or arising out of the Contractor's business. Such report shall be made within five (5) business days following the Contractor becoming aware of such event, investigation, or audit.    e) to require the Contractor to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity. By signing the Master Contract, the Contractor agrees to comply with any such additional conditions that have been made a part of the Master Contract.

5. The State, in its sole discretion, reserves the right to suspend any or all activities under the Master Contract, at any time, when it discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor shall be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract
activity may resume at such time as the State issues a written notice authorizing a resumption of performance under the Master Contract.

6. The State, in its sole discretion, reserves the right to make a final Determination of Non-Responsibility at any time during the term of the Master Contract based on:

   a) any information provided in the Questionnaire and/or in any updates, clarifications or amendments thereof; or

   b) the State's discovery of any material information which pertains to the Contractor's responsibility.

7. Prior to making a final Determination of Non-Responsibility, the State shall provide written notice to the Contractor that it has made a preliminary determination of non-responsibility. The State shall detail the reason(s) for the preliminary determination, and shall provide the Contractor with an opportunity to be heard.

O. **Charities Registration:** If applicable, the Contractor agrees to (i) obtain not-for-profit status, a Federal identification number, and a charitable registration number (or a declaration of exemption) and to furnish the State Agency with this information as soon as it is available, (ii) be in compliance with the OAG charities registration requirements at the time of the awarding of this Master Contract by the State and (iii) remain in compliance with the OAG charities registration requirements throughout the term of the Master Contract.

B. Budget Modifications

Prior DOS written approval, which requires a detailed breakdown and justification, is required for all requests for budget modifications.

Any proposed modification to a contract that will result in a transfer of funds among program activities or budget cost categories, but does not affect the amount, consideration, scope or other terms of such contracts must be submitted to DOS for submission to the Office of State Comptroller for approval when:

1. **The amount of the modification is equal to or greater than ten percent of the total value of the contract for contracts of less than five million dollars;**

   or

2. **The amount of the modification is equal to or greater than five percent of the total value of the contract for contracts of more than five million dollars.**

By acceptance of this Agreement, Contractor transfers to the Department a perpetual, transferable nonexclusive license to use, reproduce in any medium, and distribute, for any purpose, any intellectual property or other work purchased, developed or prepared for or in connection with the Project using funding provided pursuant to this Contract, including but not limited to reports, maps, designs, plans, analysis, and documents regardless of the medium in which they are originally produced. Contractor warrants to the Department that it has sufficient title or interest in such works to license pursuant to this Agreement, and further agrees and warrants that it shall not enter into any subcontract or other agreement purporting to limit such title or interest in such works in any manner that may compromise Contractor’s ability to provide the aforesaid license to the Department. Such warranties shall survive the termination of this agreement. Contractor agrees to provide the original of each such work, or a copy thereof which is acceptable to the Department, to the Department before payments shall be made under this Agreement.
D. Property

The ownership of all property or intellectual property described herein and purchased, developed or prepared under the terms of this Contract shall reside with the Contractor with a reversionary interest in such property or intellectual property held by the Department, unless otherwise authorized or directed in writing by the Department. Except as otherwise provided in Section II.C.4 of the Standard Terms and Conditions, Contractor shall retain ownership of such property or intellectual property after the term of this Contract so long as such property or intellectual property is used for purposes similar to those contemplated by this Contract. E. Termination

The Department may terminate the Agreement in accordance with the terms and conditions set forth in the Master Grant Contract section of this Agreement. In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

1. The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within one year after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded.

2. In the event that the Department has provided written notice to the Contractor directing that the Contractor correct any failure to comply with this Agreement, the Department reserves the right to direct that the Contractor suspend all work during a period of time to be determined by the Department. If the Contractor does not correct such failures during the period provided for in the notice, this Agreement shall be deemed to be terminated after expiration of such time period. During any such suspension, the Contractor agrees not to incur any new obligations after receipt of the notice without approval by the Department.
3. If the Department determines the Contractor has breached a term of the Agreement and if the Department determines the defect can be remedied, it may, in its sole discretion, issue a written notice providing the Contractor with a minimum of 30 days to correct the defect and the notice may include a prospective termination date. If the Contractor fails to correct the defect or fails to make a good faith effort to do so as determined by the Department to the Department's satisfaction, the Department may terminate the Agreement for cause.

4. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.

5. In the event the Agreement is postponed, suspended, abandoned or terminated, the Department shall make a settlement with the Contractor upon an equitable basis in good faith and under the general compensation principles and rates established in the Agreement by the Department. This settlement shall fix the value of the work which was performed by the Contractor to the Department’s satisfaction prior to the postponement, suspension, abandonment or termination of the Agreement.

6. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

F. Subcontracting Requirements

Contractor agrees that any such suspension shall remain in place until the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.

2. The Contractor’s use of subcontractors shall not diminish the Contractor’s obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.

3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract Documents including, but not limited to the terms of the Master Grant Contract, any and all Appendices, and any changes made by
amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.

4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.

5. Notwithstanding the requirements of Section IV.B.2 of the Standard Terms and Conditions, the Department reserves the right to require, upon notice to the Contractor, that, commencing from the date of such notice or a date otherwise specified in such notice, Contractor must obtain written approval from the Department prior to entering into any and all subcontracts valued at or below $100,000 for the performance of any activities covered by this Contract (as provided for in Attachment C). Contractor agrees to require any proposed subcontractors to timely provide to the Department such information as may be requested by the Department as necessary to assess whether the proposed subcontractor is a responsible entity capable of lawfully and satisfactorily performing the work. In the event the Department invokes this right of prior approval and a request for approval is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

1. All contracts by municipalities for service, labor, and construction involving not more than $35,000 and purchase contracts involving not more than $20,000 are subject to the requirements of General Municipal Law §104-b, which requires such contracts to comply with the procurement policies and procedures of the municipality involved. During the term of this Contract, any changes in the information provided in the questionnaire shall be disclosed to the Department, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of the contract.

This certification is a material representation of fact upon which reliance was placed by the Department of State in entering into this Agreement with the Contractor.

The Contractor agrees that it will provide immediate written notice to the Department of State if at any time it learns that this certification was erroneous when made or has become erroneous by reason of changed circumstances.

J. Records Access

The Contractor shall make such records available for review by the Department upon request at any time. The Department shall have the right to conduct progress assessments and review books and records as necessary. The Department shall have the right to conduct an on-site review of the Project and/or books and records of the Contractor prior to, and for reasonable time following, issuance of the final payment. M. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 142-144 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

b. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the “Agency”), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women-owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, state or local laws. Contractor agrees that the terms “MWBE,” “MBE” and “WBE” as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: http://www.esd.ny.gov/mwbe.html.
c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to Section M(6) of this Attachment or enforcement proceedings as allowed by the Contract.

2. Contract Goals

a. For purposes of this Contract, the Agency hereby establishes an overall goal of 0% for Minority and Women-Owned Business Enterprises (“MWBE”) participation, 0% for Minority-Owned Business Enterprises (“MBE”) participation and 0% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs).

b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the Contract Goals established in Section 2(a) hereof, Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: http://www.esd.ny.gov/mwbe.html.

c. Additionally, Contractor is encouraged to contact the Division of Minority and Women’s Business Development (518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on the Contract.

d. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document "good faith efforts" to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract. In accordance with Section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to the Agency for liquidated or other appropriate damages, as set forth herein.

3. Equal Employment Opportunity (EEO)

a. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the "Division"). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

b. Contractor shall comply with the following provisions of Article 15-A:

(1) Contractor and Subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
(2) The Contractor shall submit an EEO policy statement to the Agency within seventy two (72) hours after the date of the notice by Agency to award the Contract to the Contractor.

(3) If Contractor or Subcontractor does not have an existing EEO policy statement, the Agency may provide the Contractor or Subcontractor a model statement (see Form A - Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).

(4) The Contractor's EEO policy statement shall include the following language:

(a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

(b) The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

(c) The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

(d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

This information is to be submitted on a quarterly basis during the term of the contract to report the actual workforce utilized in the performance of the contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Workforce Report must be submitted to report this information.

(2) Separate forms shall be completed by Contractor and any subcontractor performing work on the Contract.

(3) In limited instances, Contractor may not be able to separate out the workforce utilized in the performance of the Contract from Contractor's and/or subcontractor's total workforce. When a separation can be made, Contractor shall submit the Workforce Report and indicate that the information provided related to the actual workforce utilized on the Contract. When the workforce to be utilized on the contract cannot be separated out from Contractor's and/or subcontractor's total workforce, Contractor shall submit the Workforce Report and indicate that the information provided is Contractor's total workforce during the subject time frame, not limited to work specifically under the contract.

(4) Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

4. MWBE Utilization Plan

b. Contractor agrees to use such MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in Section M(2)(a) of this Attachment.

c. Contractor further agrees that a failure to submit and/or use such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, Agency shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

5. Waivers

a. For Waiver Requests Contractor should use Form E - Waiver Request.
b. If the Contractor, after making good faith efforts, is unable to comply with MWBE goals, the Contractor may submit a Request for Waiver form documenting good faith efforts by the Contractor to meet such goals. If the documentation included with the waiver request is complete, the Agency shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.

c. If the Agency, upon review of the MWBE Utilization Plan and updated Quarterly MWBE Contractor Compliance Reports determines that Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the Agency may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

6. Liquidated Damages - MWBE Participation

1.01 The CONTRACTOR shall not maintain information about any individual in a manner which would violate any provisions of the Privacy Act of 1974, 5 U.S.C. 552a, as amended. Advance notice will be given to the Department in the event the CONTRACTOR anticipates that information will be retained in a "system of records" as defined by the Privacy Act of 5 U.S.C. 552a(a)(5), as amended. Notice must be sufficient to enable publication of a system description in the Federal Register in accordance with 5 U.S.C. 552a(4)(ii) and the submission of a Report on New Systems in accordance with 5 U.S.C. 552a.

1.02 The equal opportunity requirements of Section 202 of Executive Order 11246 (41 CFR 60-1.4), as amended.

1.03 Title 10 CFR 1040, as amended, "Non-discrimination in Federally Assisted Programs," providing that no person shall on the grounds of race, color, national origin, sex, handicap, or age be excluded from participation in, be denied the benefits of, be subjected to discrimination under, or be denied employment, where the main purpose of the program or activity is to provide employment or when the delivery of program services is affected by the CONTRACTOR's employment practices, in connection with any program or activity for which the CONTRACTOR herein receives financial assistance.

1.04 No person with responsibilities in the operation of any program funded under this contract will discriminate with respect to any employee, program participant, or any applicant for participation in such program, because of race, color, religion, sex, national origin, age, handicap, or political affiliation or belief.

1.05 Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000 (d)), as amended, providing that no person in the United States shall, on the grounds of race, color, sex, national origin, age, handicap, or political affiliation or belief, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the CONTRACTOR herein receives financial assistance, and the CONTRACTOR will immediately take any measures necessary to effectuate this requirement.

1.06 Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000(e)), as amended, and Executive Orders 11246 and 11375, that no employee or applicant for employment will be discriminated against because of race, color, sex, religion, or national origin.

employment against any person because of his or her age or specify in solicitations or advertisements a maximum age limit except and unless it is based upon a bona fide occupational qualification, retirement plan, or statutory requirement.

1.09 The CONTRACTOR shall take Affirmative Action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, sex, religion, national origin, or condition of physical or mental handicaps, provided, however, in the instance of a handicapped person, that the person's handicap does not prevent that person from doing the job that person would be hired to perform. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates or pay or other forms of compensation, and selection for training, including apprenticeship. 1.12 Religious Activity Prohibitions. Funds provided pursuant to this contract shall not be used to support inherently religious activities such as religious instruction, worship, or proselytization. Therefore, Contractor must take steps to separate, in time or location, any inherently religious activities from the services funded under these programs. (See 45 CFR 87).

1.13 Lobbying Prohibitions. Funds provided pursuant to this contract may not be used by CONTRACTOR or any sub-contractor to support lobbying activities to influence proposed or pending Federal or State legislation or appropriations. The list is available on the System for Award Management website: https://www.sam.gov.

1.20 Contractor is responsible for monitoring sub-recipient, sub-contractor, and contract supported activities to assure compliance with Federal requirements and the terms of this Agreement, and that performance goals are being achieved. MWBE UTILIZATION FORMS

FORM A
MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES – EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

M/WBE AND EEO POLICY STATEMENT

I, ____________________________, the (awardee/contractor)____________________ agree to adopt the following policies with respect to the project being developed or services rendered at ________________________________

This organization will and will cause its contractors and subcontractors to take good faith actions to achieve the M/WBE contract participations goals set by the State for that area in which the State-funded project is located, by taking the following steps:

(1) Actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs or WBEs, including solicitations to M/WBE contractor associations.
(2) Request a list of State-certified M/WBEs from AGENCY and solicit bids from them directly.
(3) Ensure that plans, specifications, request for proposals and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs.
(4) Where feasible, divide the work into smaller portions to enhanced participations by M/WBEs and encourage the formation of joint venture and other partnerships among M/WBE contractors to enhance their participation.
(5) Document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals.
(6) Ensure that progress payments to M/WBEs are made on a timely basis so that undue financial hardship is avoided, and that bonding and other credit requirements are waived or appropriate alternatives developed to encourage M/WBE participation.
