## **I. INTRODUCTION**

The New York State Liberty Defense Project (LDP) was launched by Governor Cuomo in 2017 to ensure that immigrant New Yorkers can access the full protections they are afforded under the law. Many individuals facing deportation and in need of urgent and free legal assistance include lawful permanent residents, asylum seekers and refugees, victims of domestic violence, and other vulnerable New Yorkers. To create the capacity to provide a regional rapid response to address the urgent legal need of any immigrant, as well as providing support to families of those affected, the New York State Office for New Americans (ONA) will expand the availability of immigration attorneys in all regions of the state to offer free and expert assistance and direct representation under the LDP.

The purpose of this RFA is to establish an agreement with qualified not-for-profit organizations for immigration legal services. Applicants should use a “universal representation” model that services any immigrant in need of immigration legal representation who meets geographic eligibility requirements.

The services sought under this RFA are organized under the ten (10) Regional Economic Development Councils (REDC), divided into two parts:

Part A which includes:

- Western New York (Allegany, Cattaraugus, Chautauqua, Erie, Niagara)
- Finger Lakes (Genesee, Livingston, Monroe, Ontario, Orleans, Seneca, Wayne, Wyoming, Yates)
- Central New York (Cayuga, Cortland, Madison, Onondaga, Oswego)
- Mohawk Valley (Fulton, Herkimer, Montgomery, Oneida, Otsego, Schoharie)
- Capital Region (Albany, Columbia, Greene, Rensselaer, Saratoga, Schenectady, Warren, Washington)
- Mid-Hudson (Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, Westchester)
- Long Island (Nassau, Suffolk)

Part B which includes:

- Southern Tier (Broome, Chemung, Chenango, Delaware, Schuyler, Steuben, Tioga, Tompkins)
- North Country (Clinton, Essex, Franklin, Hamilton, Jefferson, Lewis, St Lawrence)
- New York City (Bronx, Kings, New York, Queens, Richmond)

Please see Appendix A for a map delineating each region.

### **Part A**

Part A of this RFA seeks approximately seven (7) organizations capable of retaining and supporting two immigration attorneys each, who will provide legal services and direct representation particularly to those at risk for deportation, as well as support to their families, and maintain the capacity to respond to federal immigration enforcement activities in their region of coverage as part of the Liberty Defense Project Regional Rapid Response program.

### **Part B**

Part B of this RFA seeks approximately three (3) organizations capable of retaining and supporting one immigration attorney each, who will provide legal services and direct representation particularly to those at risk for deportation, as well as support to their families, and maintain the capacity to respond to federal immigration enforcement activities in their region of coverage as part of the Liberty Defense Project Regional Rapid Response program.

## **II. FUNDING AND PROJECT PERIOD**

ONA, through the Department of State (DOS), is making up to \$2,800,000 available to fund this program.

Approximately seven (7) awards will be granted to organizations in the Regions included under Part A of the RFA, and up to three (3) awards will be granted to organizations in the Regions included under Part B of the RFA.

If an agency wishes to apply for more than one region, a separate application must be submitted for each grant.

Contracts awarded under this RFA will not exceed \$325,000 (Part A) or \$175,000 (Part B) per award in year one and will have the option of a one-year renewal at the same funding level. Funding in the subsequent year is contingent upon funds being appropriated in the State budget and the organization's ability to meet the program requirements in year one of the contract as stipulated in this RFA.

## **AWARD**

Under this RFA approximately seven (7) awards for Part A and approximately three (3) awards for Part B will be made for a one-year renewable contract. Awards will be made based on rank order of final scores, until allocated funds are fully distributed. Awardees should be prepared to negotiate and execute subject contracts quickly.

## **XIV. CONTRACTING REQUIREMENTS**

### **Standard Contract:**

Successful applicants must enter into a standard contract with the Department of State (DOS) which includes an approved budget and work plan, any attachments or exhibits, and standard clauses required by the NYS Attorney General for all state contracts, along with Article 15- A of the New York Executive Law. The contract includes financial reporting requirements, including procurement procedures. The contract may be subject to approval by the Attorney General and State Comptroller, require submission of final products in both hard copy and electronic form, and be subject to payment only upon proper documentation and compliance with payment procedures and all other contractual requirements. A copy of a sample standard contract can be found as Appendix E. Sample contracts should not be submitted with this proposal; successful applicants will receive a contract package to complete.

### **Project Period:**

The project period under all parts of this RFA is one year with the option of one one-year renewal. Failure to incur all expenses or complete all identified outcomes in the stated period may result in loss or recapture of funds. Annual renewal is anticipated based on funding availability and performance.

**Vendor Responsibility Questionnaire:** DOS strongly recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. ## **XV. CONTRACT DEVELOPMENT PROCESS**

It is anticipated that applications will be reviewed and that successful applicants will be notified of funding decisions in Spring 2019. Successful applicants will be notified of funding decisions through issuance of a Notice of Award document that sets forth the amount of funds granted, and the terms and conditions of the grant award, which are subject to approval by the Office of the State Comptroller. Grant awards will have a start date of approximately Spring 2019. DOS/ONA will begin the contract development process with the successful applicants when the award is announced. Successful applicants may be asked to provide updated work plans and payment schedules that specify the services to be delivered, project goals, claiming process, and other information. The contract will include, but not be limited to, standard terms and conditions such as confidentiality of records, publications, and contract termination. The proposal of the successful applicant will serve as the basis for additional contract terms, which will be modified within the context of this RFA. The contract will constitute a legal agreement between the selected applicant and DOS/ONA and will be in force for the full period of the contract.

The contract will have a 12-month payment schedule and it is required for each of the contracts' specified budget periods. The contract will have the option for a one-year renewal. All plans and working documents prepared by the applicant(s) under the contract to be awarded will become the property of the State of New York.

Unsuccessful applicants may request the opportunity to be debriefed. Requests must be made in writing within 10 days of receipt of Notice of Award to the same address to which applications are submitted.

In the event unsuccessful bidders wish to protest the award resulting from this RFA, bidders should follow the protest procedures established by the Office of the State Comptroller (OSC). These procedures can be found in Chapter XI Section 17 of the Guide to Financial Operations (GFO), available on-line at: <http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>.

## **XVI. PAYMENT**

Each grantee will be reimbursed for expenses incurred pursuant to grant related activities including salary, benefits, travel, and related expenses. No payments will be made until the contract is fully executed and signed by the State Comptroller and the State Attorney General. Contractors will work at their own risk if they conduct program activities before the contract is executed.

## **XVII. PROGRAM ASSESSMENT AND MONITORING**

### **Record Keeping**

The contractor must maintain current and accurate fiscal and accounting controls to support its claims for payment. Records must adequately identify revenue sources and expense items for all contracted activities. Accounting records must be supported by clear documentation for all funds received and disbursed. Records must be retained and be accessible for a period of six years from the end of the contract or last payment or last contract transaction. If any claim, audit, litigation, or State/Federal investigation is commenced before the expiration of the record retention period, the records must be retained by the contractor until all claims or findings regarding the records are finally resolved. DOS/ONA or its designee shall have access to any records relevant to the project (including books, documents, photographs, correspondence, and records), for audits, examinations, transcripts, and excerpts. If DOS/ONA determines that such records possess long-term or historic value, they must be transferred, upon request, to DOS/ONA. Failure to provide requested documents could result in immediate termination of the contract.

### **Monitoring**

ONA will monitor projects on a regular basis throughout the life of the contract. Monitoring may include, but not be limited to, site visits, regular telephone contact and/or discussions of progress reports. The goals of project

---

monitoring are to ensure that the terms of the contract are being met and to provide technical assistance, where necessary, to help the contractor meet the terms of this RFA.

## **XVIII. AMENDMENTS TO THE CONTRACT**

Amendments and modifications to executed contracts are sometimes necessary to accommodate the needs of both the contractor and DOS/ONA. These changes, which must be by mutual written agreement, may include modification to reimbursement schedules, time and money amendments, or no-cost extensions as necessary. Contract modifications, including amendments and no-cost time extensions, will be made at the discretion of DOS/ONA with the approval of the Office of the State Comptroller. ONA reserves the right to offer partial or no funding to any applicant if its application cannot fulfill its proposed program within the funding restrictions herein. In the event that any awardee fails to satisfactorily negotiate a proper contract, ONA reserves the right to award the contract to the next highest-scoring applicant in the region in question.

## **XIX. GENERAL TERMS AND CONDITIONS**

This RFA and any contract resulting from this RFA are subject to all applicable laws, rules and regulations promulgated by any Federal and State authority having jurisdiction over the subject matter thereof. Any contract awarded pursuant to this RFA will be subject to DOS' processing procedures for contracts of this type, including approval as to form by the State Attorney General, and as to award by the NYS Division of Budget and NYS Office of the State Comptroller. **XX. CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY NEW YORK STATE-CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES, EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN, AND SERVICE-DISABLED VETERAN-OWNED BUSINESSES**

**a. MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES PARTICIPATION**

**NEW YORK STATE LAW**

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations Department of State is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of Department of State contracts.

**Business Participation Opportunities for MWBEs**

The Department’s New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) utilization goal is 30%. For purposes of this solicitation, the specific MWBE goal and the breakdown between the Minority-owned Business Enterprise (“MBE”) and the Women-owned Business Enterprise (“WBE”) utilization goals shall be established post award and set forth in the Department of State contract, in the Attachment B “Budget” (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFA, the respondent agrees that Department of State may withhold payment pursuant to any Contract awarded as a result of this RFA pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com/frontend/vendorsearchpublic.asp>. For guidance on how Department of State will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker’s contract.

**FOR CONSTRUCTION CONTRACTS** – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier’s contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFA, such finding constitutes a breach of contract and Department of State may withhold payment as liquidated damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums

---

identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting Department of State. As a contractor of New York State, you have a responsibility to utilize certified minority- and/or women-owned businesses in the execution of your contracts, per the MWBE percentage goals stated in your solicitation, proposal or contract documents. Through the NYSCS you will submit utilization plans, request subcontractors, record payments to subcontractors, and communicate with your project manager throughout the life of your awarded contracts.

Additionally, successful applicants will be required to submit the following documents and information within ten (10) business days after the applicant receives notice from Department of State that the grant is being awarded as evidence of compliance with the foregoing:

An MWBE Utilization Plan (*Form D*) or a Certification Letter (*Form D-1*) stating their commitment to show due-diligence to comply with the MWBE goals and requirements. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to Department of State for review and approval.

The Department of State shall review the submitted MWBE Utilization Plan or Certification Letter and issue a written notice of acceptance or notice of deficiency within 20 days of receipt of utilization plan or certification letter.

If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Department of State, at the address provided below, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by Department of State to be inadequate, Department of State shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the proposal.

Please see details under “**Additional Notices and Explanations Regarding the MWBE Program and this Request for Applications.**”

Department of State may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan or certification letter;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If Department of State determines that the respondent has failed to document good faith efforts.

Successful applicant(s) will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to Department of State but must be made no later than prior to the submission of a request for final payment on the Contract.

Successful applicant(s) will be required to submit a quarterly M/WBE Contractor Compliance & Payment Report to Department of State, by the 10<sup>th</sup> day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

### **Equal Employment Opportunity Requirements**

---

By submission of a proposal in response to this solicitation, the respondent agrees with all the terms and conditions of the New York State Master Grant Contract, Section IV (J) - Equal Employment Opportunities for Minorities and Women. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The requested plan, as described herein, is intended to help an applicant think about how to comply with the regulations and provide information showing their due-diligence to comply with the MWBE requirements.

Successful applicants notified by the NYS Contract System (System) that a record for the submission of the utilization plan has been created, must comply with this requirement by entering the Utilization Plan data in the System through the Statewide Utilization Management Plan (SUMP) module.

If you are unable to comply with the MWBE goals, you must request a waiver of these requirements by submitting to the Department of State the REQUEST FOR WAIVER FORM E, found on the DOS funding page, for processing.

**b. SERVICE-DISABLED VETERAN-OWNED BUSINESSES PARTICIPATION**

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities,

---

services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>.

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS), and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: [VeteransDevelopment@ogs.ny.gov](mailto:VeteransDevelopment@ogs.ny.gov), or the DOS Bureau of Fiscal Management at [dos.sm.mwbe@dos.ny.gov](mailto:dos.sm.mwbe@dos.ny.gov) . **STATE OF NEW YORK  
MASTER CONTRACT FOR GRANTS**

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

**WITNESSETH:**

**WHEREAS**, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

**WHEREAS**, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

**NOW THEREFORE**, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

**STANDARD TERMS AND CONDITIONS**

**I. GENERAL PROVISIONS**

**A. Executory Clause:** In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

**B. Required Approvals:** In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

**Budget Changes:** An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

**C. Order of Precedence:**

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2<sup>1</sup>, Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2<sup>2</sup>, Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1
7. Attachment A-1
8. Other attachments, including, but not limited to, the request for proposal or program application

**D. Funding:** Funding for the term of the Master Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Master Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

**E. Contract Performance:** The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Master Contract to the satisfaction of the State. The Contractor shall provide services or work, as applicable, and meet the program objectives summarized in Attachment C (Work Plan) in accordance with the provisions of the Master Contract, relevant laws, rules and regulations, administrative, program and fiscal guidelines, and where applicable, operating certificate for facilities or licenses for an activity or program.

**F. Modifications:** To modify the Attachments or Face Page, the parties mutually agree to record, in writing, the terms of such modification and to revise or complete the Face Page and all the appropriate attachments in conjunction therewith. In addition, to the extent that such modification meets the criteria set forth in Section I.B herein, it shall be subject to the approval of the AG and OSC before it shall become valid, effective and binding upon the State. Modifications that are not subject to the AG and OSC approval shall be processed in accordance with the guidelines stated in the Master Contract.

**G. Governing Law:** The Master Contract shall be governed by the laws of the State of New York

---

<sup>1</sup> To the extent that the modifications to Attachment A-2 are required by Federal requirements and conflict with other provisions of the Master Contract, the modifications to Attachment A-2 shall supersede all other provisions of this Master Contract. See Section I (V).

<sup>2</sup> To the extent that the terms of Attachment of A-2 are required by Federal requirements and conflict with other provisions of the Master Contract, the Federal requirements of Attachment A-2 shall supersede all other provisions of this Master Contract. See Section I (V).

except where the Federal Supremacy Clause requires otherwise.

**H. Severability:** Any provision of the Master Contract that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof; provided, however, that the parties to the Master Contract shall attempt in good faith to reform the Master Contract in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent. If any provision is held void, invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

**I. Interpretation:** The headings in the Master Contract are inserted for convenience and reference only and do not modify or restrict any of the provisions herein. All personal pronouns used herein shall be considered to be gender neutral. The Master Contract has been made under the laws of the State of New York, and the venue for resolving any disputes hereunder shall be in a court of competent jurisdiction of the State of New York.

**J. Notice:**

1. All notices, except for notices of termination, shall be in writing and shall be transmitted either:
  - a. by certified or registered United States mail, return receipt requested;
  - b. by facsimile transmission;
  - c. by personal delivery;
  - d. by expedited delivery service; or
  - e. by e-mail.
2. Notices to the State shall be addressed to the Program Office designated in Attachment A-1 (Program Specific Terms and Conditions).
3. Notices to the Contractor shall be addressed to the Contractor's designee as designated in Attachment A-1 (Program Specific Terms and Conditions).
4. Any such notice shall be deemed to have been given either at the time of personal delivery or, in the case of expedited delivery service or certified or registered United States mail, as of the date of first attempted delivery at the address and in the manner provided herein, or in the case of facsimile transmission or e-mail, upon receipt.
5. The parties may, from time to time, specify any new or different e-mail address, facsimile number or address in the United States as their address for purpose of receiving notice under the Master Contract by giving fifteen (15) calendar days prior written notice to the other party sent in accordance herewith. The parties agree to mutually designate individuals as their respective representatives for the purposes of receiving notices under the Master Contract. Additional individuals may be designated in writing by the parties for purposes of implementation, administration, billing and resolving issues and/or disputes.

**K. Service of Process:** In addition to the methods of service allowed by the State Civil Practice

Law & Rules (CPLR), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. The Contractor shall have thirty (30) calendar days after service hereunder is complete in which to respond.

**L. Set-Off Rights:** The State shall have all of its common law, equitable, and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold, for the purposes of set-off, any moneys due to the Contractor under the Master Contract up to any amounts due and owing to the State with regard to the Master Contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of the Master Contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies, or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State Agency, its representatives, or OSC.

**M. Indemnification:** The Contractor shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the Contractor or its subcontractors pursuant to this Master Contract. The Contractor shall indemnify and hold harmless the State and its officers and employees from claims, suits, actions, damages and cost of every nature arising out of the provision of services pursuant to the Master Contract.

**N. Non-Assignment Clause:** In accordance with Section 138 of the State Finance Law, the Master Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet, or otherwise disposed of without the State's previous written consent, and attempts to do so shall be considered to be null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract, let pursuant to Article XI of the State Finance Law, may be waived at the discretion of the State Agency and with the concurrence of OSC, where the original contract was subject to OSC's approval, where the assignment is due to a reorganization, merger, or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that the merged contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless the Master Contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**O. Legal Action:** No litigation or regulatory action shall be brought against the State of New York, the State Agency, or against any county or other local government entity with funds provided under the Master Contract. The term "regulatory action" shall include commencing or threatening to commence a regulatory proceeding, or requesting any regulatory relief from any of the State of New York, the State Agency, or any county, or other local government entity.

**P. No Arbitration:** Disputes involving the Master Contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

**Q. Secular Purpose:** Services performed pursuant to the Master Contract are secular in nature and

shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.

**R. Partisan Political Activity and Lobbying:** Funds provided pursuant to the Master Contract shall not be used for any partisan political activity, or for activities that attempt to influence legislation or election or defeat of any candidate for public office.

**S. Reciprocity and Sanctions Provisions:** The Contractor is hereby notified that if its principal place of business is located in a country, nation, province, state, or political subdivision that penalizes New York State vendors, and if the goods or services it offers shall be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that it be denied contracts which it would otherwise obtain.<sup>3</sup>

**T. Reporting Fraud and Abuse:** Contractor acknowledges that it has reviewed information on how to prevent, detect, and report fraud, waste and abuse of public funds, including information about the Federal False Claims Act, the New York State False Claims Act, and whistleblower protections.

**U. Non-Collusive Bidding:** By submission of this bid, the Contractor and each person signing on behalf of the Contractor certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of his or her knowledge and belief that its bid was arrived at independently and without collusion aimed at restricting competition. The Contractor further affirms that, at the time the Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive binding certification on the Contractor's behalf.

**V. To the extent that the Master Contract is funded in whole or part with Federal funds or mandated by Federal laws, (i) the provisions of the Master Contract that conflict with Federal rules, Federal regulations, or Federal program specific requirements shall not apply and (ii) the Contractor agrees to comply with all applicable federal rules, regulations and program specific requirements including, but not limited to, those provisions that are set forth in Attachment A-2 (Federally Funded Grants and Requirements Mandated by Federal Laws) hereto.

---

<sup>3</sup>As of October 9, 2012, the list of discriminatory jurisdictions subject to this provision includes the states of Alaska, Hawaii, Louisiana, South Carolina, West Virginia, and Wyoming. Contact NYS Department of Economic Development for the most current list of jurisdictions subject to the provision.

## II. TERM, TERMINATION AND SUSPENSION

**A. Term:** The term of the Master Contract shall be as specified on the Face Page, unless terminated sooner as provided herein.

### **B. Renewal:**

**1. General Renewal:** The Master Contract may consist of successive periods on the same terms and conditions, as specified within the Master Contract (a "Simplified Renewal Contract"). Each additional or superseding period shall be on the forms specified by the State and shall be incorporated in the Master Contract.

### **2. Renewal Notice to Not-for-Profit Contractors:**

- a) Pursuant to State Finance Law §179-t, if the Master Contract is with a not-for-profit Contractor and provides for a renewal option, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract no later than ninety (90) calendar days prior to the end of the term of the Master Contract, unless funding for the renewal is contingent upon enactment of an appropriation. If funding for the renewal is contingent upon enactment of an appropriation, the State shall notify the Contractor of the State's intent to renew or not to renew the Master Contract the later of: (1) ninety (90) calendar days prior to the end of the term of the Master Contract, and (2) thirty (30) calendar days after the necessary appropriation becomes law. Notwithstanding the foregoing, in the event that the State is unable to comply with the time frames set forth in this paragraph due to unusual circumstances beyond the control of the State ("Unusual Circumstances"), no payment of interest shall be due to the not-for-profit Contractor. For purposes of State Finance Law §179-t, "Unusual Circumstances" shall not mean the failure by the State to (i) plan for implementation of a program, (ii) assign sufficient staff resources to implement a program, (iii) establish a schedule for the implementation of a program or (iv) anticipate any other reasonably foreseeable circumstance.
- b) Notification to the not-for-profit Contractor of the State's intent to not renew the Master Contract must be in writing in the form of a letter, with the reason(s) for the non-renewal included. If the State does not provide notice to the not-for-profit Contractor of its intent not to renew the Master Contract as required in this Section and State Finance Law §179-t, the Master Contract shall be deemed continued until the date the State provides the necessary notice to the Contractor, in accordance with State Finance Law §179-t. Expenses incurred by the not-for-profit Contractor during such extension shall be reimbursable under the terms of the Master Contract.

### **C. Termination:**

#### **1. Grounds:**

- a) Mutual Consent: The Master Contract may be terminated at any time upon mutual written consent of the State and the Contractor.
- b) Cause: The State may terminate the Master Contract immediately, upon written notice of termination to the Contractor, if the Contractor fails to comply with any of the terms and conditions of the Master Contract and/or with any laws, rules, regulations, policies, or procedures that are applicable to the Master Contract.

- c) Non-Responsibility: In accordance with the provisions of Sections IV(N)(6) and (7) herein, the State may make a final determination that the Contractor is non-responsible (Determination of Non- Responsibility). In such event, the State may terminate the Master Contract at the Contractor's expense, complete the contractual requirements in any manner the State deems advisable and pursue available legal or equitable remedies for breach.
- d) Convenience: The State may terminate the Master Contract in its sole discretion upon thirty (30) calendar days prior written notice.
- e) Lack of Funds: If for any reason the State or the Federal government terminates or reduces its appropriation to the applicable State Agency entering into the Master Contract or fails to pay the full amount of the allocation for the operation of one or more programs funded under this Master Contract, the Master Contract may be terminated or reduced at the State Agency's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to the State Agency for payment of such costs. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. In any event, no liability shall be incurred by the State (including the State Agency) beyond monies available for the purposes of the Master Contract. The Contractor acknowledges that any funds due to the State Agency or the State of New York because of disallowed expenditures after audit shall be the Contractor's responsibility.
- f) Force Majeure: The State may terminate or suspend its performance under the Master Contract immediately upon the occurrence of a "force majeure." For purposes of the Master Contract, "force majeure" shall include, but not be limited to, natural disasters, war, rebellion, insurrection, riot, strikes, lockout and any unforeseen circumstances and acts beyond the control of the State which render the performance of its obligations impossible.

## **2. Notice of Termination:**

- a) Service of notice: Written notice of termination shall be sent by:
  - (i) personal messenger service; or
  - (ii) certified mail, return receipt requested and first class mail.
- b) Effective date of termination: The effective date of the termination shall be the later of (i) the date indicated in the notice and (ii) the date the notice is received by the Contractor, and shall be established as follows:
  - (i) if the notice is delivered by hand, the date of receipt shall be established by the receipt given to the Contractor or by affidavit of the individual making such hand delivery attesting to the date of delivery; or
  - (ii) if the notice is delivered by registered or certified mail, by the receipt returned from the United States Postal Service, or if no receipt is returned, five (5) business days from the date of mailing of the first class letter, postage prepaid,

in a depository under the care and control of the United States Postal Service.

**3. *Effect of Notice and Termination on State's Payment Obligations:***

- a) Upon receipt of notice of termination, the Contractor agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the State.

The State shall be responsible for payment on claims for services or work provided and costs incurred pursuant to the terms of the Master Contract. In no event shall the State be liable for expenses and obligations arising from the requirements of the Master Contract after its termination date.

The Department may terminate the Agreement in accordance with the terms and conditions set forth in the Master Grant Contract section of this Agreement. In addition to other reserved rights it has to terminate this Agreement, the Department may terminate or suspend the Agreement under the following circumstances:

The Contractor shall complete the project as set forth in this Agreement, and failure to render satisfactory progress or to complete the project to the satisfaction of the State may be deemed an abandonment of the project and may cause the suspension or termination of any obligation of the State. In the event the Contractor should be deemed to have abandoned the project for any reason or cause other than a national emergency or an Act of God, all monies paid to the Contractor by the State and not expended in accordance with this Agreement shall be repaid to the State upon demand. If such monies are not repaid within one year after such demand, the State Comptroller of the State of New York may cause to be withheld from the Contractor any State assistance to which the Contractor would otherwise be entitled in an amount equal to the monies demanded.

If the Contractor does not correct such failures during the period provided for in the notice, this Agreement shall be deemed to be terminated after expiration of such time period. During any such suspension, the Contractor agrees not to incur any new obligations after receipt of the notice without approval by the Department.

If the Department determines the Contractor has breached a term of the Agreement and if the Department determines the defect can be remedied, it may, in its sole discretion, issue a written notice providing the Contractor with a minimum of 30 days to correct the defect and the notice may include a prospective termination date. If the Contractor fails to correct the defect or fails to make a good faith effort to do so as determined by the Department to the Department's satisfaction, the Department may terminate the Agreement for cause.

**Minority and Women Owned Business Participation**

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

**1. General Provisions**

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.

b. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the “Agency”), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws. Contractor agrees that the terms “MWBE,” “MBE” and “WBE” as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

## 2. Contract Goals

a. The Department’s New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) utilization goal is 30%. For purposes of this Contract, the specific overall MWBE goal and the breakdown between the Minority-owned Business Enterprise (“MBE”) and the Women-owned Business Enterprise (“WBE”) utilization goals, are set forth in the Attachment B “Budget”, based on the current availability of MBEs and WBEs.

b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section 2(a) hereof, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

c. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker’s contract.

3. Equal Employment Opportunity ("EEO")

a. The provisions of Article 15-A §312 of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

b. In performing the Contract, the Contractor shall:

(1) Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

(2) The Contractor shall submit an EEO policy statement to the Agency within seventy two (72) hours after the date of the notice by Agency to award the Contract to the Contractor.

(3) If the Contractor, or any of the subcontractors does not have an existing EEO policy statement, the Agency may require the Contractor or subcontractor to adopt a model statement (see Form A - Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).

(4) The Contractor's EEO policy statement shall include the following language:

(a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

(b) The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

- (d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "e" of this section 3, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

- c. Form B - Staffing Plan

If the total expenditure of this contract is in excess of \$250,000, the following provision shall apply:

The Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. - e. The Contractor shall comply with the provisions of the Human Rights Law, as well as all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

#### 4. MWBE Utilization Plan

- a. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan or shall submit an MWBE Utilization Plan at such time as shall be required by the Department of State through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Department of State, either prior to, or at the time of, the execution of the contract.

- b. The Contractor agrees to adhere to such MWBE Utilization Plan for the performance of the Contract.

- c. The Contractor further agrees that a failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the

occurrence of such a material breach, the Agency shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

5. Waivers

a. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by the Agency (use Form E - Waiver Request). Such waiver request must be supported by evidence of the Contractor's good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the Agency shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.

b. If the Agency, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section 6, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Agency may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

6. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a Quarterly MWBE Contractor Compliance Report (Form F) to the Agency by the 10<sup>th</sup> day following each end of quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

The Agency may require the Contractor to use the NYSCS to submit utilization plans, record payments to subcontractors and otherwise report compliance with the provisions of Article 15-A of the Executive Law and regulations. Technical assistance can be obtained through the NYSCS website at <https://ny.newnycontracts.com> by clicking on the "Contact Us & Support" link.

The Department makes no representation with respect to the availability or capability of any business listed in the Directory.

7. Liquidated Damages - MWBE Participation

a. Where the Agency determines that the Contractor is not in compliance with the requirements of the Contract and the Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Agency liquidated damages.

b. Such liquidated damages shall be calculated as an amount equaling the difference between:

- i) All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
- ii) All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

c. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Agency, the Contractor shall pay such liquidated damages to the Agency within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

#### Service-Disabled Veteran-Owned Businesses Participation

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS), and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: [VeteransDevelopment@ogs.ny.gov](mailto:VeteransDevelopment@ogs.ny.gov), or the DOS Division of Affirmative Action Programs – SDVOB Program at [dos.sm.mwbe@dos.ny.gov](mailto:dos.sm.mwbe@dos.ny.gov).
