I. INTRODUCTION

There is a chronic lack of accessible information about publicly available services and programs in low-income immigrant and refugee communities throughout New York State. Low-income new American communities in New York State often lack reliable information regarding workforce development opportunities and other opportunities open to all New Yorkers to fully participate in our State's civic and economic life. Meanwhile, the complex relationship between immigrants and government has further left newcomers at a deficit for reliable, trusted information. Taken together, this has left New York State's new American population ignored for career pathways, vulnerable to financial fraud and lacking access to possible ladders of opportunities. Dedicated outreach and community welcoming efforts are needed to help low-income immigrants gain access to the same opportunities available to all others in the State and country. To address this need, the New York State Office for New Americans (ONA) is seeking local leadership to coordinate and conduct outreach to low-income immigrant communities, and to create a grassroots network of ONA Immigrant Community Navigators to help low-income new Americans.

This Request for Applications (RFA) seeks to award funding to up to 11 partner organizations located throughout New York State to conduct this work. Through this effort, ONA seeks to maximize the participation of low-income immigrant community members in New York State's civic and economic life. Using the funding described in this RFA, successful partner organizations will help ONA coordinate and conduct outreach in support of available services by working with grassroots organizations, community leaders, not-for-profit organizations (including ONA Opportunity Centers and Community Action Agencies (CAAs)), Regional Economic Development Councils' Opportunity Agenda workgroups, faith-based organizations, and local governments. This RFA complements ONA-funded grant programs including ONA Opportunity Centers, as well as the ONA Legal Counsels and the Liberty Defense Project, both of which provide legal technical assistance to ONA Opportunity Centers.

II. FUNDING AND PROJECT PERIOD

The New York State Department of State (DOS), on behalf of ONA, is making approximately \$880,000 annually in federal Community Services Block Grant funding available through this RFA to provide up to 11 awards to partner organizations to hire and host individuals to serve as ONA Immigrant Community Navigators. The initial contract period is anticipated to be July 1, 2020 – June 30, 2021, with an opportunity for up to two annual renewals. Continued funding is contingent upon funding availability, and the organization's ability to meet the program requirements of the contract as stipulated in this RFA.

Funds for each award in the initial year is anticipated to be up to \$80,000 per contract. Matching funds are not required for this grant program.

4. BUDGET SUMMARY

20 POINTS

- a. Applicant provided a detailed budget for the first year containing allowable, reasonable, and necessary costs as found in Appendix C. Applicant submitted the budget as **Attachment 8: Budget Summary**. If the applicant plans to apply an indirect cost rate using a pre-existing federal negotiated rate, they attached a federally approved indirect cost rate letter. If the applicant plans to apply the 10% de minimis rate, they clearly stated it on the budget summary page and submitted a detailed cost allocation plan documenting the methodologies to be used to allocate costs to this grant. If the applicant plans to use the direct allocation methodology, they submitted a detailed cost allocation plan documenting the methodologies to be used to allocate costs to this grant. Applicant provided all applicable supporting administrative rate documentation as part of Attachment 8.
- b. Applicant included a narrative description (up to two pages) clearly linking costs to specific proposed services and activities, including an ONA Immigrant Community Navigator that is 100% dedicated to this grant. The narrative clearly justifies all costs

proposed in the budget as they directly relate to projects costs outlined in the RFA and does not include any ineligible costs as described in Section VIII.

XII. CONTRACTING REQUIREMENTS

Standard Contract: Successful applicants must enter into a standard contract with the Department of State (DOS) which includes, among other requirements, an approved budget and work plan, any attachments or exhibits, and Article 15-A of the New York Executive Law. The contract includes financial reporting requirements, including procurement procedures. The contract may be subject to approval by the Attorney General and State Comptroller, require submission of final products in both hard copy and electronic form, and be subject to payment only upon proper documentation and compliance with payment procedures and all other contractual requirements. A copy of a sample standard contract can be found as Appendix D. Sample contracts should not be submitted with this proposal; successful applicants will receive a contract package to complete.

Project Period: The initial contract period under all parts of this RFA is anticipated to be July 1, 2020 through June 30, 2021 with the option of two annual renewals. Failure to incur all expenses or complete all identified outcomes in the stated period may result in loss or recapture of funds. Annual renewals are anticipated based on funding availability and performance.

Vendor Responsibility Questionnaire: DOS strongly recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at http://www.osc.state.ny.us/vendrep/info_vrsystem.htm or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at itservicesdesk@osc.state.ny.us. Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact DOS or the Office of the State Comptroller's Help Desk for a copy of the paper form.

XIII. CONTRACT DEVELOPMENT PROCESS

It is anticipated that applications will be reviewed and that successful applicants will be notified of funding decisions on or about February 2020. Successful applicants will be notified of funding decisions through issuance of a Notice of Award document that sets forth the amount of funds granted, and the terms and conditions of the grant award, which are subject to approval by the Office of the State Comptroller. Grant awards will have a start date of approximately July 1, 2020.

DOS/ONA will begin the contract development process with the successful applicants when the award is announced. Successful applicants may be asked to provide updated work plans and payment schedules that specify the services to be delivered, project goals, claiming process, and other information. The contract will include, but not be limited to, standard terms and conditions such as confidentiality of records, publications, and contract termination. The proposal of the successful applicant will serve as the basis for additional contract terms, which will be modified within the context of this RFA. The contract will constitute a legal agreement between the selected applicant and DOS/ONA and will be in force for the full period of the contract.

The initial term will be for one year. The contract will have the option for two one-year renewals. All plans and working documents prepared by the applicant(s) under the contract to be awarded will become the property of the State of New York.

Unsuccessful applicants may request the opportunity to be debriefed. Requests must be made in writing within 10 days of receipt of the Notice of Non-award to the same address to which applications are submitted. In the event unsuccessful bidders wish to protest the award resulting from this RFA, bidders should follow the protest procedures established by the Office of the State Comptroller (OSC). These procedures can be found in Chapter XI Section 17 of the Guide to Financial Operations (GFO), available on-line at:

<http://www.osc.state.ny.us/agencies/guide/MyWebHelp/>

XIV. PAYMENT

The contractor may receive a 25% advance of the initial contract amount upon request. Thereafter, each grantee will be reimbursed for expenses incurred pursuant to grant related activities including salary, benefits, travel, and related expenses. No payments will be made until the contract is fully executed and signed by the State Comptroller and the State Attorney General, if applicable. Contractors will work at their own risk if they conduct program activities before the contract is executed.

XV. PROGRAM ASSESSMENT AND MONITORING

a. RECORD KEEPING

The contractor must maintain current and accurate fiscal and accounting controls to support its claims for payment. Records must adequately identify revenue sources and expense items for all contracted activities. Accounting records must be supported by clear documentation for all funds received and disbursed. Records must be retained and be accessible for a period of six years from the end of the contract or last payment or last contract transaction. If any claim, audit, litigation, or State/Federal investigation is commenced before the expiration of the records retention period, the records must be retained by the contractor until all claims or findings regarding the records are finally resolved. DOS/ONA or its designee shall have access to any records relevant to the project (including books, documents, photographs, correspondence, and records), for audits, examinations, transcripts, and excerpts. If DOS/ONA determines that such records possess long-term or historic value, they must be transferred, upon request, to DOS/ONA. *Failure to provide requested documents could result in immediate termination of the contract.*

b. MONITORING

ONA will monitor projects on a regular basis throughout the life of the contract. Monitoring may include, but not be limited to, site visits, regular telephone contact and/or discussions of progress reports. The goals of project monitoring are to ensure that the terms of the contract are being met and to provide technical assistance, where necessary, to help the contractor meet the terms of the contract.

XVI. AMENDMENTS TO THE CONTRACT

Amendments and modifications to executed contracts are sometimes necessary to accommodate the needs of both the contractor and DOS/ONA. These changes, which must be by mutual written agreement, may include modification to reimbursement schedules, time and money amendments, or no-cost extensions as necessary. Contract modifications, including amendments and no-cost time extensions, will be made at the discretion of DOS/ONA with the approval of the Office of the State Comptroller.

XVII. GENERAL TERMS AND CONDITIONS

This RFA and any contract resulting from this RFA are subject to all applicable laws, rules and regulations promulgated by any Federal and State authority having jurisdiction over the subject matter thereof. Any contract awarded pursuant to this RFA will be subject to DOS processing procedures for contracts of this type, including approval as to form by the State Attorney General, and as to award by the NYS Division of Budget and NYS Office of the State Comptroller. DOS/ONA reserves the right to terminate or modify the contract due to the unavailability of funds, unsatisfactory performance, or in the best interests of the state. Pursuant to the New York State Procurement Guidelines, DOS reserves the right to:

7. Prior to the application due date, amend the RFA specifications to correct errors or oversights, or to supply additional information, as it becomes available;
8. Prior to the application due date, direct applicants to submit application modifications addressing subsequent RFA amendments;
9. Change any of the scheduled dates;
10. Eliminate any mandatory, non-material specifications that cannot be complied with by all of the prospective bidders;

11. Waive any requirements that are not material;
12. Negotiate with successful applicants within the scope of the RFA in the best interests of the state;
13. Conduct contract negotiations with the next responsible applicant, should DOS be unsuccessful in negotiating with a selected applicant;
14. Use any and all ideas submitted in the applications received;
15. Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an application and/or to determine an applicant's compliance with the requirements of the RFA;
16. Waive or modify any irregularities in received applications;
17. Make awards based on geographic distribution;
18. Not fund an application that fails to submit a clear and concise work plan or budget;
19. Adjust or correct cost figures with the consent of the applicant if errors exist and can be documented to the satisfaction of the Department;
20. Offer partial or no funding to any applicant if its application cannot fulfill its proposed program within the funding restrictions herein;
21. Make additional awards if funding becomes available;
22. Require reporting on forms designed for use solely for this procurement; and,
23. Not to make any awards pursuant to this RFA. This RFA does not commit DOS/ONA to award any contracts, to pay the costs incurred in the preparation of a response to this RFA, or to procure or contract for service

XVIII. MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES PARTICIPATION

New York State Law

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations Department of State is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of Department of State contracts.

Business Participation Opportunities for MWBEs

The Department's New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") utilization goal is 30%. For purposes of this solicitation, the specific MWBE goal and the breakdown between the Minority-owned Business Enterprise ("MBE") and the Women-owned Business Enterprise ("WBE") utilization goals shall be established post award and set forth in the Department of State contract, in the Attachment B "Budget" (based on the current availability of MBEs and WBEs). A contractor ("Contractor") on any contract resulting from this procurement ("Contract") must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFA, the respondent agrees that Department of State may withhold payment pursuant to any Contract awarded as a result of this RFA pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com/frontend/vendorsearchpublic.asp>. For guidance on how Department of State will evaluate a Contractor's "good faith efforts," refer to 5 NYCRR § 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the 19 applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker's contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier's contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

In accordance with 5 NYCRR § 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFA, such finding constitutes a breach of contract and Department of State may withhold payment as liquidated damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

Applicants are required to submit the MWBE Compliance Form (Found in Appendix E) with their application.

Additionally, successful applicants will be required to submit an MWBE Utilization Plan (Form D) *or* MWBE Compliance Certification Letter (Form D-1) stating their commitment to show due-diligence to comply with the MWBE goals and requirements within ten (10) business days after the applicant receives notice from Department of State that the grant is being awarded as evidence of compliance with the foregoing. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to Department of State for review and approval.

The Department of State shall review the submitted MWBE Utilization Plan and issue a written notice of acceptance or notice of deficiency within 20 days of receipt of utilization plan.

If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Department of State, at the address provided below, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by Department of State to be inadequate, Department of State shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the proposal. Please see details under **“Additional Notices and Explanations Regarding the MWBE Program and this Request for Applications.”**

Department of State may disqualify a respondent as being non-responsive under the following circumstances:

- a) If a respondent fails to submit an MWBE Utilization Plan or certification letter;
- b) If a respondent fails to submit a written remedy to a notice of deficiency;
- c) If a respondent fails to submit a request for waiver; or
- d) If Department of State determines that the respondent has failed to document good faith efforts.

Successful applicant(s) will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to Department of State, but must be made no later than prior to the submission of a request for final payment on the Contract.

Successful applicant(s) will be required to submit a quarterly M/WBE Contractor Compliance & Payment Report to Department of State (Form F, attached here in Appendix E – MWBE Forms for reference), by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

Additional Notices and Explanations Regarding the MWBE Program and Successful Applications to this Request for Applications:

If your project is selected for an award, you will be required to show due diligence to comply with all the MWBE contractual requirements, including meeting the goals for certified MWBE firms participation as stated in your Contract and in accordance with NYS Executive Law Article 15-A.

If an applicant chooses to move forward with a project prior to any award announcement, they are responsible for meeting MWBE requirements established by the State of New York. The requested plan, as described herein, is intended to help an applicant think about how to comply with the regulations and provide information showing their due-diligence to comply with the MWBE requirements.

If you are unable to comply with the MWBE goals, you must request a waiver of these requirements by submitting to the Department of State the Request for Waiver - Form E (attached here for reference) for processing. Please note that the following information will be required to secure the waiver (all items may not apply to your case, but provide information and documentation for those that apply):

1. A DETAILED statement with the project description (any special characteristics, needs, specifications, etc.), and an explanation setting forth your basis and justification for requesting a partial or total waiver of the MWBE goals.
2. A copy of the completed MWBE GOALS CALCULATION Template, found on the DOS funding page.
3. The names of general circulation, trade association, and MWBE-oriented publications in which you solicited certified MWBEs for the purposes of complying with your participation goals related to this Contract.
4. A list identifying the date(s) that all solicitations for certified MWBE participation were published in any of the above publications.
5. A list of all certified MWBEs appearing in the NYS Directory of Certified Firms that were solicited for purposes of complying with your certified MWBE participation levels.
6. Documentations of your search in the NYS Directory of Certified Firms (e.g.: Printouts, screenshots).
7. Copies of notices, dates of contact, letters, and other correspondence as proof that solicitations were made in writing and copies of such solicitations, or a sample copy of the solicitation, if an identical solicitation was made to all certified MWBEs. Any information and/or documentation to support the efforts to follow up with the MWBEs.
8. Copies of responses to your solicitations received by you from certified MWBEs
9. A description of any contract documents, plans, or specifications made available to certified MWBEs for purposes of soliciting their proposals and the date and manner in which these documents were made available.
10. Documentation of any negotiations between you and the MWBEs undertaken for purposes of complying with the certified MWBE participation goals.
11. Any other information you deem relevant which may help us in evaluating your request for a waiver.
12. The name, title, address, telephone number, and email address of your representative authorized to discuss and negotiate this waiver request.
13. Copy of notice of application receipt issued by Empire State Development (ESD), if subcontractors are not certified MWBE, but an application has been filed with ESD.

XIX. EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS

By submission of a proposal in response to this solicitation, the respondent agrees with all of the terms and conditions of the New York State Master Grant Contract, Section IV (J) - Equal Employment Opportunities for Minorities and Women. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement,

major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

Additionally, successful applicants will be required to submit the following documents and information within ten (10) business days after the applicant receives notice from Department of State that the grant is being awarded as evidence of compliance with the foregoing:

- A. Submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement (Form A) to Department of State.
- B. Submit a Workforce Utilization Report (Form C) and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by Department of State on a quarterly basis during the term of the Contract, to the Bureau of Fiscal Management at:

MWBE Unit
Email: dos.sm.mwbe@dos.ny.gov
Phone: 518-474-2754

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the requirements detailed in Sections XVIII and XIX may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

XX. SERVICE-DISABLED VETERAN-OWNED BUSINESSES PARTICIPATION

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service Disabled Veteran-Owned Business (SDVOB), in order to

increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

DOS's SDVOB utilization goal is 6%. To comply with this goal, DOS strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>.

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS), and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Division of Affirmative Action Programs – SDVOB Program at dos.sm.sdvob@dos.ny.gov. The directory of certified SDVOB vendors can be found at: https://ogs.ny.gov/Veterans/Docs/CertifiedNYS_SDVOB.pdf

MASTER CONTRACT FOR GRANTS**

This State of New York Master Contract for Grants (Master Contract) is hereby made by and between the State of New York acting by and through the applicable State Agency (State) and the public or private entity (Contractor) identified on the face page hereof (Face Page).

WITNESSETH:

WHEREAS, the State has the authority to regulate and provide funding for the establishment and operation of program services, design or the execution and performance of construction projects, as applicable and desires to contract with skilled parties possessing the necessary resources to provide such services or work, as applicable; and

WHEREAS, the Contractor is ready, willing and able to provide such program services or the execution and performance of construction projects and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services or work, as applicable, required pursuant to the terms of the Master Contract;

NOW THEREFORE, in consideration of the promises, responsibilities, and covenants herein, the State and the Contractor agree as follows:

STANDARD TERMS AND CONDITIONS

I. GENERAL PROVISIONS

A. Executory Clause: In accordance with Section 41 of the State Finance Law, the State shall have no liability under the Master Contract to the Contractor, or to anyone else, beyond funds appropriated and available for the Master Contract.

B. Required Approvals: In accordance with Section 112 of the State Finance Law (or, if the Master Contract is with the State University of New York (SUNY) or City University of New York (CUNY), Section 355 or Section 6218 of the Education Law), if the Master Contract exceeds \$50,000 (or \$85,000 for contracts let by the Office of General Services, or the minimum thresholds agreed to by the Office of the State Comptroller (OSC) for certain SUNY and CUNY contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount including, but not limited to, changes in amount, consideration, scope or contract term identified on the Face Page (Contract Term), it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the New York Attorney General Contract Approval Unit (AG) and OSC. If, by the Master Contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by, and filed with, the AG and OSC.

Budget Changes: An amendment that would result in a transfer of funds among program activities or budget cost categories that does not affect the amount, consideration, scope or other terms of such contract may be subject to the approval of the AG and OSC where the amount of such modification is, as a portion of the total value of the contract, equal to or greater than ten percent for contracts of less than five million dollars, or five percent for contracts of more than five million dollars; and, in addition, such amendment may be subject to prior approval by the applicable State Agency as detailed in Attachment D (Payment and Reporting Schedule).

C. Order of Precedence:

In the event of a conflict among (i) the terms of the Master Contract (including any and all attachments and amendments) or (ii) between the terms of the Master Contract and the original request for proposal, the program application or other attachment that was completed and executed by the Contractor in connection with the Master Contract, the order of

precedence is as follows:

1. Standard Terms and Conditions
2. Modifications to the Face Page
3. Modifications to Attachment A-2³, Attachment B, Attachment C and Attachment D
4. The Face Page
5. Attachment A-2⁴, Attachment B, Attachment C and Attachment D
6. Modification to Attachment A-1
7. Attachment A-1
8. Other attachments, including, but not limited to, the request for proposal or program application

D. Funding: Funding for the term of the Master Contract shall not exceed the amount specified as "Contract Funding Amount" on the Face Page or as subsequently revised to reflect an approved renewal or cost amendment. Funding for the initial and subsequent periods of the Master Contract shall not exceed the applicable amounts specified in the applicable Attachment B form (Budget).

E. Contract Performance: The Contractor shall perform all services or work, as applicable, and comply with all provisions of the Master Contract to the satisfaction of the State. Upon termination or reduction of the Master Contract, all remaining funds paid to the Contractor that are not subject to allowable costs already incurred by the Contractor shall be returned to the State Agency. 4. Effect of Termination Based on Misuse or Conversion of State or Federal Property:

Where the Master Contract is terminated for cause based on Contractor's failure to use some or all of the real property or equipment purchased pursuant to the Master Contract for the purposes set forth herein, the State may, at its option, require:

In the event of such suspension, the Contractor shall be given a formal written notice outlining the particulars of such suspension. Provided, however, the State may, at its discretion, automatically generate a voucher in accordance with an approved contract payment schedule. Such electronic payment shall be made in accordance with OSC's procedures and practices to authorize electronic payments.

When submitting a voucher, such voucher shall also be deemed to certify that: (i) the payments requested do not duplicate reimbursement from other sources of funding; and (ii) the funds provided herein do not replace funds that, in the absence of this grant, would have been made available by the Contractor for this program. 2. The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. F. Outstanding Amounts Owed to the State:

Prior period overpayments (including, but not limited to, contract advances in excess of actual expenditures) and/or audit recoveries associated with the Contractor may be recouped against future payments made under this Master Contract to Contractor. The recoupment generally begins with the first payment made to the Contractor following identification of the overpayment and/or audit recovery amount. In the event that there are no payments to apply recoveries against, the Contractor shall make payment as provided in Section III(E) (Refunds) herein.

3. If the Department determines the Contractor has breached a term of the Agreement and if the Department determines the defect can be remedied, it may, in its sole discretion, issue a written notice providing the Contractor with a minimum of 30 days to correct the defect and the notice may include a prospective termination date. If the Contractor fails to correct the defect or fails to make a good faith effort to do so as determined by the Department to the Department's satisfaction, the Department may terminate the Agreement for cause.
4. The Department shall also have the right to postpone or suspend the Agreement or deem it abandoned without this action being a breach of the Agreement. The Department shall provide written notice to the Contractor indicating the Agreement has been postponed, suspended or abandoned. During any postponement, suspension or abandonment the Contractor agrees not to do any work under the Agreement without prior written approval of the Department.
5. In the event the Agreement is postponed, suspended, abandoned or terminated, the Department shall make a settlement with the Contractor upon an equitable basis in good faith and under the general compensation principles and rates established in the Agreement by the Department. This settlement shall fix the value of the work which was performed by the Contractor to the Department's satisfaction prior to the postponement, suspension, abandonment or termination of the Agreement.
6. Any funds paid to the Contractor by the Department which are not expended under the terms of the Agreement shall be repaid to the Department.

F. Subcontracting Requirements

1. Contractor agrees that it shall not enter into any subcontract for the performance of work in furtherance of this Contract with any subcontractor that at the time of contracting: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to possess requisite workers compensation and disability insurance coverage (see <http://www.wcb.ny.gov>). In addition, Contractor agrees that it shall immediately suspend or terminate any subcontract entered into for the performance of work in furtherance of this Contract if at any time during the term of such subcontract the subcontractor: (1) is listed on the New York State Department of Labor's list of companies with which New York State cannot do business (available at <https://dbr.labor.state.ny.us/EDList/searchPage.do>); (2) is listed as an entity debarred from federal contracts (list available at: <https://www.sam.gov/portal/public/SAM>); or (3) fails to maintain requisite workers compensation or disability insurance coverage (see <http://www.wcb.ny.gov>). Contractor agrees that any such suspension shall remain in place until the condition giving rise to the suspension is corrected by the subcontractor. The terms of this clause shall be incorporated in any and all subcontracts entered into in furtherance of this Contract.
2. The Contractor's use of subcontractors shall not diminish the Contractor's obligations to complete the Work in accordance with the Contract. The Contractor shall control and coordinate the Work of its subcontractors.
3. The Contractor shall be responsible for informing its subcontractors of all the terms, conditions and requirements of the Contract Documents including, but not limited to the terms of the Master Grant Contract, any and all Appendices, and any changes made by amendments thereto, and ensuring that any and all subcontracts entered into in furtherance of this Contract conform to and do not conflict with such terms.
4. Contractor shall file each and every subcontract entered into in furtherance of this Contract with the Department of State no later than fifteen (15) calendar days following the signing of the subcontract, unless otherwise authorized or directed by the Department of State.
5. Notwithstanding the requirements of Section IV.B.2 of the Standard Terms and Conditions, the Department reserves the right to require, upon notice to the Contractor, that, commencing from the date of such notice or a date otherwise specified in such notice, Contractor must obtain written approval from the Department prior to entering into any and all subcontracts valued at or below \$100,000 for the performance of any activities covered by this Contract (as provided for in Attachment C). Contractor agrees to require any proposed subcontractors to timely provide to the Department such information as may be requested by the Department as necessary to assess whether the proposed subcontractor is a responsible entity capable of lawfully and satisfactorily performing the work. In the event the Department invokes this right of prior approval and a request for approval is submitted by Contractor and denied by the Department, Contractor agrees that it shall not enter into the proposed subcontract and that no costs associated with such subcontract shall be allowable under this Contract.

This certification is a material representation of fact upon which reliance was placed by the Department of State in entering into this Agreement with the Contractor.

The Contractor agrees that it will provide immediate written notice to the Department of State if at any time it learns that this certification was erroneous when made or has become erroneous by reason of changed circumstances.

M. Minority and Women Owned Business Participation

Article 15-A of the New York State Executive Law, as amended, authorized the creation of a Division of Minority and Women's Business Development to promote employment and business opportunities on state contracts for minorities and women. This law supersedes any other provision in state law authorizing or requiring an equal employment opportunity program or a program for securing participation by minority and women-owned business enterprises. Under this statute, State agencies are charged with establishing business participation goals for minorities and women. The Department of State administers a Minority and Women-owned Business Enterprises (MWBE) Program as mandated by Article 15-A.

1. General Provisions

- a. The Department of State is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- b. The Contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the New York State Department of State (the “Agency”), to fully comply and cooperate with the Agency in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary

to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the "Human Rights Law") and other applicable federal, state, and local laws. Contractor agrees that the terms "MWBE," "MBE" and "WBE" as used herein, shall mean those MBE or WBE firms certified as such by the State pursuant to NY Executive Law Article 15-A and listed in the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

- c. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section M(7) of this Attachment and such other remedies as are available to the Agency pursuant to the Contract and applicable law.

2. Contract Goals

- a. The Department's New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") utilization goal is 30%. For purposes of this Contract, the specific overall MWBE goal and the breakdown between the Minority-owned Business Enterprise ("MBE") and the Women-owned Business Enterprise ("WBE") utilization goals, are set forth in the Attachment B "Budget", based on the current availability of MBEs and WBEs.
- b. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section 2(a) hereof, the Contractor should reference the directory of New York State Certified MWBEs found at the following internet address: <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women's Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

- c. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the broker's contract.

FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE shall be 60 percent of the total value of the supplier's contract. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be the monetary value for fees, or the markup percentage, charged by the MWBE.

- d. The Contractor must document "good faith efforts," pursuant to 5 NYCRR §142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:
 - (1) Evidence of outreach to MWBEs;
 - (2) Any responses by MWBEs to the Contractor's outreach;
 - (3) Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;

- (4) The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Agency with MWBEs; and,
- (5) Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

3. Equal Employment Opportunity (“EEO”)

- a. The provisions of Article 15-A §312 of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.
- b. In performing the Contract, the Contractor shall:
 - (1) Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 - (2) The Contractor shall submit an EEO policy statement to the Agency within seventy two (72) hours after the date of the notice by Agency to award the Contract to the Contractor.
 - (3) If the Contractor, or any of the subcontractors does not have an existing EEO policy statement, the Agency may require the Contractor or subcontractor to adopt a model statement (see Form A - Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).
 - (4) The Contractor's EEO policy statement shall include the following language:
 - (a) The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - (b) The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - (c) The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
 - (d) The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph “e” of this section 3, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

c. Form B - Staffing Plan

If the total expenditure of this contract is in excess of \$250,000, the following provision shall apply:
The Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the Staffing plan form and submit it as part of their proposal or within a reasonable time, as directed by the Department of State.

d. Form C - Workforce Utilization Report

(1) The Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by the Agency on a monthly basis for construction contracts, and on a quarterly basis for all other contracts, during the term of the Contract.

(2) Separate forms shall be completed by the Contractor and any subcontractors performing work on the Contract.

e. The Contractor shall comply with the provisions of the Human Rights Law, as well as all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

4. MWBE Utilization Plan

a. The Contractor represents and warrants that the Contractor has submitted an MWBE Utilization Plan or shall submit an MWBE Utilization Plan at such time as shall be required by the Department of State through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Department of State, either prior to, or at the time of, the execution of the contract.

b. The Contractor agrees to adhere to such MWBE Utilization Plan for the performance of the Contract.

c. The Contractor further agrees that a failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Agency shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

5. Waivers

a. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by the Agency (use Form E - Waiver Request). Such waiver request must be supported by evidence of the Contractor's good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the Agency shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.

- b. If the Agency, upon review of the MWBE Utilization Plan, quarterly MWBE Contractor Compliance Reports described in Section 6, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Agency may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

6. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a Quarterly MWBE Contractor Compliance Report (Form F) to the Agency by the 10th day following each end of quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

The Agency may require the Contractor to use the NYSCS to submit utilization plans, record payments to subcontractors and otherwise report compliance with the provisions of Article 15-A of the Executive Law and regulations. Technical assistance can be obtained through the NYSCS website at <https://ny.newnycontracts.com> by clicking on the "Contact Us & Support" link.

Questions regarding this program should be directed to the Department's Minority and Women-owned Business Program by calling (518) 473-3401. Potential contractors can access the NYS Directory of Certified Minority and Women-owned Business Enterprises on-line through the Empire State Development website at <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>. The Department makes no representation with respect to the availability or capability of any business listed in the Directory.

7. Liquidated Damages - MWBE Participation

- a. Where the Agency determines that the Contractor is not in compliance with the requirements of the Contract and the Contractor refuses to comply with such requirements, or if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Agency liquidated damages.
- b. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - i) All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - ii) All sums actually paid to MWBEs for work performed or materials supplied under the Contract.
- c. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Agency, the Contractor shall pay such liquidated damages to the Agency within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women's Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

N. Service-Disabled Veteran-Owned Businesses Participation

Article 17-B of the Executive Law, enacted in 2014, authorized the creation of the Division of Service-Disabled Veterans' Business Development to promote participation of Service-Disabled Veteran-Owned Businesses (SDVOBs) in New York State contracting. The Service-Disabled Veteran-Owned Business Act recognizes the veterans' service to and sacrifice for our nation, declares that it is New York State's public policy to promote and encourage the continuing economic development of service-disabled veteran-owned businesses, and allows eligible Veteran business owners to become certified as a New York State Service-

Disabled Veteran-Owned Business (SDVOB), in order to increase their participation in New York State's contracting opportunities. To this effect, the Department of State (DOS) has implemented a Veteran-Owned Businesses (SDVOB) Program, as mandated by Article 17-B.

To comply with the SDVOB Program goals of 6%, the Department of State strongly encourages grantees to make every effort, to the maximum extent possible, to engage certified SDVOBs in the purchasing of commodities, services and technology in the performance of their contracts with the Department. If SDVOB utilization is obtained, a quarterly SDVOB utilization report should be submitted to the Department with information of the utilization percentage achieved during that quarter. Contractor Reporting Forms are found at: <https://ogs.ny.gov/Veterans/>

The Division of Service-Disabled Veterans' Business Development (DSDVBD) is housed within the New York State Office of General Services (OGS), and maintains a directory of the NYS Certified SDVOBs. For assistance with engaging SDVOB vendors in your contracts, please contact the Division of Service-Disabled Veterans' Business Development at the following email address: VeteransDevelopment@ogs.ny.gov, or the DOS Bureau of Fiscal Management – SDVOB Program at dos.sm.sdvob@dos.ny.gov.
