### PRACTICAL EXAMINATION SCHEDULING

**NOTE:** You may schedule your practical examination either before or after the successful completion of the written examination.

Practical examinations MUST be scheduled through our online services. Applications are required to schedule their appearance enhancement examinations on the New York State e-Licensing system. In order to schedule your examination, you must have a NY.gov ID account. If you do not have an account, you should go to the NYS License Center (NYSLC) at [https://aca.licensecenter.ny.gov](https://aca.licensecenter.ny.gov) and click on the “I need a NY.gov ID” link to create your account. If you already have a NY.gov account, you should go directly to [https://my.ny.gov](https://my.ny.gov) to schedule your examination.

A $15 non-refundable fee is due at the time you schedule your examination. If you need to reschedule your examination, you MUST do so at least six days before your scheduled examination date to avoid penalty (forfeiture of $15 fee). Should you cancel your appointment, arrive late to your scheduled examination, or do not appear for a scheduled examination, you will forfeit the examination fee.

**Note:** If you have submitted the appropriate documentation to request special testing arrangements, a representative from the Division of Licensing Services will contact you with your exam schedule.
