

Nail Specialty Trainee Application

For a faster and easier process, the Division of Licensing Services encourages applicants to apply online. Using online services provides a quicker turnaround time on your application and updates and allows you to view and access your license records throughout the license process. (Online services will be available for this registration in the near future.)

Visit our website at: www.dos.ny.gov

Please see the online section of these instructions for more information.

Read the instructions carefully before completing the application. All fields are mandatory, incomplete applications will be returned, delaying licensure. Any omission, inaccuracy or failure to make full disclosure in an application or supporting documentation may be deemed sufficient reason to deny a license, or, if a license is issued could result in the suspension or revocation of a license.

What does the practice of Nail Specialty cover?

The practice of Nail Specialty means providing services for a fee or any other consideration to cut, shape or enhance the appearance of the nails of the hands or feet. Nail Specialty also includes the application and removal of sculptured or artificial nails.

Who must apply for a Nail Specialty Trainee registration?

A person pursuing in good faith a course of study in the practice of nail specialty under the tutelage, supervision and direction of a licensed Nail Specialist at a licensed Appearance Enhancement Business must obtain a certificate of registration from the NYS Department of State.

What is the fee and term of registration?

An application fee is not required. Your certificate of registration will be valid for one year and renewable for a second year.

Does the certificate of registration allow me to operate an Appearance Enhancement Business?

No. A certificate of registration as a Nail Specialty Trainee does not entitle you to an Appearance Enhancement Business or an Area Renter license.

What qualifications do I need to upgrade to a Nail Specialty license?

A Nail Specialty Trainee may obtain a license to practice nail specialty if such trainee has been actively engaged in a traineeship for a period of one year and has completed an approved 26-hour course of study and passed the written and practical exam. Such course of study may be delivered by electronic means.

What if my Supervising Nail Specialist changes?

You need to notify the Division of Licensing Services of this change. This assures your certificate of registration remains current with this department.

Why do I need to provide my email address on the paper application?

Your email address will be used to create your NYS License Center account. Most communications will be sent via email. If you change your email address in the future you will need to log into your account and update it with the new email address.

Where can I obtain additional information regarding the requirements affecting Nail Salons and workers?

Please visit our website at www.dos.ny.gov to find further information pertaining to worker's equipment requirements and Nail Practitioner Bill of Rights.

Do I need a physical to be registered?

Yes. You need to be examined by a physician, physician's assistant or nurse practitioner to apply for a Nail Specialty Trainee registration. Your **physician, physician's assistant or nurse practitioner** must complete and date the Health Certification section of the application or the Health Certification Form (DOS-1948) if you are applying online. You must submit your application within 30 days after the certification is signed and dated.

Child Support Statement

A Child Support Statement is mandatory in New York State (General Obligations Law) regardless of whether or not you have children or any support obligation. **Any person who is four months or more in arrears in child support may be subject to having his or her business, professional and driver's licenses suspended.** The intentional submission of a false written statement for the purpose of frustrating or defeating the lawful enforcement of support obligations is punishable under §175.35 of the Penal Law. It is a class E felony to offer a false instrument for filing with a state or local government with the intent to defraud.
